Everett wins Kirkland Award

Math instructor Jo Ann Everett was chosen by her peers to receive the Kirkland Award for Excellence in Teaching at the 2005 Chipola College graduation.

Everett has taught math at Chipola since 1986. She was the first instructor in the Chipola Mathematics Lab, a learning center which provides free tutoring and computer-assisted help in math and science courses.

Everett represented the faculty as a charter member of the Governance Council and currently serves on the Residence Hall committee. She is past secretary-treasurer of the Chipola Faculty Association and former board member of the Chipola Council of Educators.

As chair of Chipola's Program Review for Developmental Mathematics, she has served on statewide teams to prepare questions for the CLAST. She also developed a summer review to help students prepare for the CPT (Computerized Placement Test). She represented Chipola last year at a Developmental Mathematics Conference. She also has served as sponsor of the Chipola Cheerleaders.

The faculty member who nominated Everett said, "Jo Ann is an exceptional teacher. Her special talents made a profound impact on the mathematics program. She has a unique ability to motivate students to become productive and to support their fellow students. She is truly the type of teacher, counselor and coworker that represents the best of Chipola."

A 1981 graduate of Chipola, Everett also earned a Bachelor's degree from the University of West Florida. She is married to Dennis Everett, Chipola's Associate Vice President of Information Systems. The couple has a daughter, Katie, a first grader. Everett said, "I believe in Chipola. I know this college will continue to focus on academic excellence far into the future. I'm sure that my daughter Katie will attend Chipola one day and will receive an outstanding education."

The Kirkland Award was endowed 15 years ago by brothers J. R. and David Kirkland in honor of their parents Carolyn and the late Willis Kirkland of Marianna. The award provides $1,000 to the recipient. Previous winners include faculty emeriti Donald Holley, Paul Huang, Don Adams, Peggy Register, Charlene Lord and Lonnie Keene, former instructor Jean Taylor and current instructors Brenda Alford, Dr. Stephen Shimmel, Mary McClendon, Nancy Burns, Dr. Lou Cleveland, Dr. Bill Brievogel, Kathryn Roberts and Rose Cavin.

Chipola grads team up in dental practice

Chipola alumnus Dr. Jeremy Lewis will join the Marianna Dental Practice of fellow alumnus Dr. Larry Cook on June 6.

Both dentists graduated from the University of Florida's College of Dentistry and both agree that Chipola provided the academic foundation that helped them succeed in dental school.

Dr. Lewis graduated from Chipola in 1999. He earned a B.S. in Nutritional Science before being accepted into dental school. He recently won an Award of Merit from the Academy of Aesthetic Dentistry. "I wouldn't do it any other way," Lewis said. "When I attended Chipola, I lived in the math and science departments and I received great instruction from teachers like Dr. (Bill) Brievogel, Dr. (Jeff) Bodart, Dr. (Steve) Shimmel and Bonnie Smith. I would highly recommend Chipola to anyone who wants to get a solid background before going off to a large university."

Dr. Larry Cook, who has been in practice since 1979, also has high praise for his local alma mater. "I'm not sure that everyone realizes what a fine college we have right here in Marianna," said Cook. "The Chipola faculty does a super job of preparing students to do well in very challenging programs at the university. I owe a great deal to my Chipola professors who gave me a solid academic foundation."

Chipola grads, *continued from page 1*

Of his new associate Dr. Cook said, "Marianna is gaining an exceptional dentist with an outstanding academic record. I am excited about the opportunity to work with such a promising young professional and fellow Chipola alumnus."

Dr. Lewis comes from a family of health care professionals who also started at Chipola. His father Rodney Lewis graduated from Chipola before earning a Doctor of Pharmacy degree. His mother Delilah Lewis is a Registered Nurse who earned her degree from Chipola. The new Dr. Lewis is married to the former Shelaina Mercer of Dellwood, who also graduated from Chipola and UF.

When asked about his decision to associate with Dr. Cook, Lewis said, "I always heard he (Cook) was the best, and I wanted to learn from the best. I know it will help me to work under an established dentist with an excellent reputation. I want to keep learning to provide quality care for my patients."
