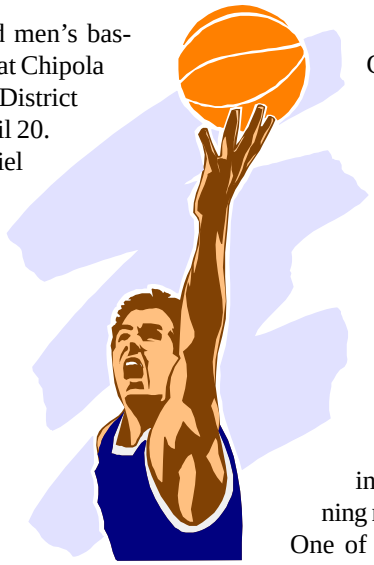
Cross named men's basketball coach at Chipola

Ryan Cross was named head men's basketball coach and athletic director at Chipola Junior College during the Chipola District Board of Trustees meeting on April 20.

CJC president Dr. Dale O'Daniel says, "There were numerous, qualified candidates interested in coming to Chipola. However, after an intensive search, we felt that Cross was the best candidate to lead our men's basketball program and to oversee our athletic department."

Cross, a native of Canton, OH, grabbed national attention in his first season (1998-99) as head men's basketball coach at Barton County Community College in Great Bend, KS. He was named National Coach of the Year by The National Association of Basketball Coaches. Cross turned 26 a day after coaching in the championship game of the national tournament.



Under Cross, Barton College earned a spot in the national tournament for only the second time in its 29-year history. The team ended the season ranked second in the NJCAA Poll, behind national-tournament champion Indian Hills, Iowa. The Cougars ended their season at 35-3 — the most victories ever compiled by a Barton men's basketball team, and also set a new record for the highest winning percentage in school history with a .921 winning mark.

One of Cross's top players at Barton was 7-foot-3-inch Alek Radojevic, who rewrote Barton's record books with 241 career blocked shots. Radojevic, from Herceg-Novi, Yugoslavia, has already signed with Ohio State University.

Cross named, *continued from page 1*

Cross served as an assistant coach at Barton in 97 and 98. He helped coach Barton County to a combined 53-12 record and a 31-1 home-court record. In 1998, Barton finished 29-4 overall and posted a 14-2 Jayhawk Western Conference record to tie for the conference championship. The Cougars finished ninth in the final national poll after being ranked No. 3 for much of the 98 season. Barton finished 24-8 overall and 11-5 in conference during Cross's first season as assistant coach in 1996-97.

During the 1995-96 season, Cross gained coaching experience as an administrative assistant to the men's basketball team at State University of New York at Buffalo. Cross played four years at the NCAA Division I university. He was a starting forward for Buffalo during his sophomore season, and averaged five points a game through his career for the Bulls. Buffalo finished 18-10 during Cross' senior season in 1994-95 and placed second in the Mid-Continent Conference. He is the university's third-best three-point shooter with a 45 percent average.

An All-Ohio, and All-City Team member during his senior season at East Canton High School, Cross averaged 23 points and 10 rebounds that year for the Division II team, the second-largest division in the state. He played all four seasons for East Canton. Cross earned a bachelor's degree in sociology in 1995.

Tim Cohane, head men's basketball coach at Buffalo, says, "Ryan played for me and served as an assistant coach, and I must say, I do not know of a finer young coach. He has a great work ethic, is an excellent teacher, and he has established himself as one of the premier recruiters at the junior college level. Most importantly, Ryan is a good person. He has strong character and is such a fair disciplinarian, that I know student-athletes will have a positive experience playing in his program."

Cross is only the twelfth coach in Chipola's 52-year history. He replaces Carl Nash who resigned in early April.

Cross and his wife are expecting their first child.
