## Graduating Student Survey Results for 2023 Summer and Fall Semesters

The 2023-24 college master plan goals two, five, and eight are to provide a high-quality distance learning program, provide an appealing campus environment, and remain a leading institution in the Florida College System. The Office of Assessment, Compliance, and Grants (ACG) collected information via our graduating student surveys from our career-focused programs, including bachelor of science (BS), associate of arts (AA), associate in science (AS), college credit certificate (CCC), postsecondary adult vocational (PSAV), and applied technology diploma (ATD) programs as the primary focus for these results. In the academic year 2023-24, Chipola offered 12 BS degree programs, 50 AA academic degree pathways, 13 AS degree programs, 10 CCC programs, 14 PSAV programs, and 1 ATD program.
