

Robert and Kathryn McRae /Rex Lumber Scholarships For Chipola College Engineering Technology Program

- Multiple scholarships toward 30 semester hours of tuition and an allocation for books to applicants planning to enroll and pursue an Associate of Science degree in Engineering Technology or specializing in one of the certificate programs in Advanced Manufacturing: Pneumatics, Hydraulics, and Motors certification, or Engineering Technology Support Specialist certification or the clock hour certification in Advanced Manufacturing and Production Technology. Each scholarship will be a one-year scholarship toward 30 semester hours of tuition and/or books for classes required for the A.S. Engineering Technology program, or toward the 12-credit hour Advanced Manufacturing: Pneumatics, Hydraulics, and Motors certification, or toward the 18-credit hour Engineering Technology Support Specialist certification, or toward the 600-clock hour certification in Advanced Manufacturing and Production Technology.
- Each scholarship awarded will be up to a one-year scholarship toward 30 semester hours of tuition and/or books and supplies for classes required for the specific the Engineering Technology program that the recipient is enrolling in.
- Multiple scholarships will be awarded that are associated with the Rex Lumber Graceville plant and applicants for these scholarships will be given priority consideration if they are current or recent graduates from the following high schools: Graceville High School, Poplar Springs High School, Holmes County High School, Cottondale High School or Chipley High School. Additionally, multiple scholarships will be awarded in association with the Rex Lumber Bristol plant and applicants for these scholarships will be given priority consideration if they are current or recent graduates from the following high schools: Liberty County High School, Blountstown High School, and Altha High School. In both cases, second consideration will go to applicants that are graduates of any other high school within Chipola's five-county service district, Liberty, Calhoun, Jackson, Washington, and Holmes Counties. Also, children of Rex Lumber employees (must be employed for at least one year) are eligible to apply for the scholarship to enroll in the Engineering Technology program.
- Applicants must have a minimum 2.5 high school grade point average in order to apply for the scholarship and must maintain a minimum 2.5 grade point average each semester enrolled at Chipola College in order to retain scholarship.
- The Fall 2024/Spring 2025 first-year scholarship recipients will be eligible to reapply for the scholarship for use during the second year of the Engineering Technology program. The scholarship donor will consider second year funding based upon prevailing economic conditions and the student's performance in the academic program.
- Scholarship applicants must submit completed applications by June 4, 2024 at 4 p.m. to the Chipola College Foundation, 3094 Indian Circle, Marianna, FL 32446.
- Scholarship recipients that excel in the Engineering Technology specializing in Advanced Manufacturing: Pneumatics, Hydraulics, and Motors Certification program may be eligible for paid internship positions within Rex Lumber Company.

Scholarship Applying For: **Robert and Kathryn McRae/Rex Lumber Scholarship**

You must submit the items listed below with the application. Incomplete applications will not be considered.

1. A copy of your high school and/or college transcript(s). Students must submit a copy of the final high school transcript **or at least through the first semester of senior year** if the applicant is currently a high school senior and will not have a final transcript prior to the June 4 deadline. Please use the high school **UNWEIGHTED** gpa. College students must submit copies of transcripts from all colleges attended and applicants who have completed fewer than 24 college credit hours must also submit a high school transcript in addition to the college transcript(s). Do not include any college hours you have not completed. Your gpa entries on the application must match the gpa listed on the transcript(s) exactly. The high school and/or the college transcript(s) do not have to be official sealed copies. A photocopy of the transcripts(s) is acceptable. The foundation can not generate transcripts from any items submitted to Chipola College. Transcript copies must be attached to the scholarship application when submitted.

2. A letter must accompany this application containing the following information:

- * *a little about yourself and your educational plans and career goals*
- * *why you feel you need help to attend college.*
- * *your school and community awards/recognitions/achievements and activities*
- * *extenuating circumstances to be considered by the scholarship committee*

3. Two letters of recommendation.

Date: _____ Chipola Student Id : _____
