How to Log in to Canvas

1. On the Chipola College Home page, http://www.chipola.edu/ , select **MyChipola** link in the top left corner.
2. Select the **Canvas** link on the left side of the page.
3. Each Chipola College student has been assigned a **user name** that incorporates their name, student ID and the e-mail address domain @my.chipola.edu
4. Students are assigned a **password** that uses part of their SSN and birthdate.

Username = first initial of first name + first initial of last name + student ID + @my.chipola.edu
Password = last 4 digits of SSN + two digit birth month + two digit birth year

Example:

    Student name: Joe User

        SSN: 123-45-6789

    Date of birth: May 1990

     Student ID: 99999

For this sample student:

    Username is: ju99999@my.chipola.edu

    Password is: 67890590

Use the above example to determine your username and password. (If you have logged in to the campus network in the past and changed your password, use the updated password.)
