

Please read carefully, initial each line and sign:

_____ **The College will not provide copies of submitted documents to students. Therefore, I understand that I must keep copies of all documents submitted to CastleBranch.**

_____ I understand and agree that I will be bound by the College's regulations as published in the college catalog and program syllabus/handbook.

_____ I understand that a FBI report and Drug Screen are required as part of the acceptance process. I further understand that if the drug test comes back positive or if there is a problem with the FBI report, I may not be accepted or remain in the program.

_____ I understand and agree that I may be randomly tested for drugs and/or alcohol throughout the nursing program. I further understand that if any drug/alcohol test comes back positive, I will be dismissed from the program.

_____ I certify that the information I have provided in my application is complete and accurate and understand that any misrepresentation of facts may result in immediate dismissal from the program.

_____ I understand that admission to, and completion of, the Nursing program does not guarantee licensure.

PLEASE NOTE:

The Nursing Selection Committee considers all eligible applicants and select the most qualified applicants for admission based on completed courses, current enrollment and cumulative grade point average in prerequisite courses and overall courses taken. Final acceptance and enrollment is based on the completion with a "C" or better of required courses within the first two (2) attempts, as well as completion of other requirements listed below.

If the number of applicants exceeds the available positions, selection will be based on a point system that considers factors such as: grades earned in pre-requisite courses to the program; overall GPA; credit hours completed at Chipola College; residency in Calhoun, Holmes, Jackson, Liberty or Washington County; and obtainment of previous college degree. This list is not meant to be all inclusive; Chipola College reserves the right to make changes in the admission criteria as circumstances require. Every reasonable effort will be made to communicate changes in the program to interested students.

Students are strongly encouraged to investigate financial aid eligibility (Pell grants, etc.) at the time of application to the College and/or program. Deadline dates for completion of Financial Aid are strictly adhered to and those dates can be found on the College Calendar. Students who wait until the time of college registration or until acceptance to the program are generally too late to qualify for funds for that term. Students need to be aware of financial aid limitations regarding minimum credit hours taken per term so that plans can be made to accommodate any adjusted financial resources. Information regarding assistance is available through Financial Aid. In addition to the tuition and fees, there are additional expenses such as textbooks and other course materials and uniforms, which may not be covered by financial aid.

The Florida Board of Nursing has the authority to deny licensure as a registered professional nurse to applicants with a conviction, a plea of no contest, or guilty plea, regardless of adjudication, for any offense other than a minor traffic violation. Applicants with any record of a criminal charge must report this information to the Vice President of Student Affairs at the time of application. Any charges which arise after admission must also be reported to the Vice President of Student Affairs.
