Student's Name _____ High School _____

We are pleased that you have made this academic choice and encourage your full participation in this educational experience. To assure understanding of policies and procedures regarding conduct, curriculum, and communication you are asked to read, initial (student and parent), and abide by the following:

Student and Parent MUST initial each statement (left)

- I understand that I will be enrolled in college courses. The depth, breadth, rigor and pace of college courses will be at the college level. While appropriate for college-level study, course materials/class discussions may reflect topics not typically included in secondary courses which some parents may object to for "minors." Courses are not "brought down" to high school level to accommodate variations in student age and/or maturity. I understand that as a dually enrolled high school student in college courses I am subject to the same standards, policies, and responsibilities as other college students unless otherwise restricted by federal, state or local requirements. I understand that the curriculum content, evaluation, and selection of appropriate instructional materials are the prerogative of the college instructor and will not differ for dually enrolled students from that presented for traditional college students.
I understand that Chipola is an open campus and that I could be attending classes with non-high school aged students and that I may encounter students of a variety of ages and backgrounds while on the Chipola Campus.
I understand that I must agree to abide by all Chipola policies and procedures including but not limited to the Student Handbook, attendance policies and discipline policies as published. The only excused absences are those sanctioned by Chipola College. High school activities are not excused for students enrolled in classes at Chipola.
I understand that college credits earned under this program will be entered on my Chipola College transcript as well as on my high school transcript. The college grading policy will be used for all dual enrollment courses.
I understand that I can participate in the Dual Enrollment Program for a maximum of three years. Classes must be satisfactorily completed prior to high school graduation in order to count as high school credit and be covered by the agreement. Provisional college credit will be granted for work satisfactorily completed and final credit granted after I earn a high school diploma or equivalent.
I understand that if enrolled as an Early Admission student I must enroll and maintain fulltime status and cannot be concurrently enrolled in virtual high school or another college. I can participate in the Early Admission Program for a maximum of one year (equivalent of 12th grade).
I understand that as a Dual Enrollment Student I am responsible for completing the appropriate college forms and meeting college established deadlines for withdrawal and/or resignation from class(es). I must submit the request in myChipola by the published deadline and final approval from the Guidance Counselor will be emailed to admissions@chipola.edu. Students are not allowed to audit classes. The college calendar, dates, and deadlines are available in the college catalog, student handbook/planner, and online at www.chipola.edu. NOTE: Jackson County does not allow withdrawals or audits.
I understand that I may not repeat college credit or workforce development courses in which I have earned a grade of W, D, or F until after high school graduation. All grades including "W" for withdrawal, become part of the student's permanent college transcript and may affect subsequent postsecondary admission.
I understand I cannot re-take classes in which a grade of "C" or higher has been earned.
I understand the Gordon Rule (6A10.030) requires all Florida college students to make at least a "C" in each Math, English, and Writing course; however, all grades are calculated in a student's GPA and will appear on his/her transcript.
I understand that I must maintain a minimum term and cumulative College grade point average of 2.0. Failure to meet this requirement will result in academic suspension until after high school graduation.
I understand that if I resign from a public high school or receive a GED during the time I am enrolled in this program I will be liable for all fees and cost for that term.
I understand that I am responsible for requesting a final official high school transcript to be sent to the Admissions and Records Office denoting graduation and for submitting official college transcripts from any colleges I have attended.
I understand that I must complete a Residency Declaration for Tuition Purposes after high school graduation. Failure to submit will result in being classified as out-of-state for tuition purposes, which may impact eligibility for Florida Scholarships and a higher tuition rate.
