Dear Student:

Chipola College continues to monitor closely the COVID-19 situation. Our highest priority remains the health and safety of our students, faculty, and staff. After much consideration, the Chipola College Spring Commencement set for May 7, 2020 has been postponed until further notice.

Spring Term candidates will have degrees conferred on their transcripts on May 6, 2020. Diplomas will be mailed to the address listed on the Application for Diploma/Graduation within 3-4 weeks after degrees are conferred. If you are graduating during the Summer Term, your degree will be posted to your transcript and your diploma sent after all graduation requirements are met.

Students requiring an official end of term transcript are encouraged to complete a transcript request by May 6th.

Request forms are available online at <http://www.chipola.edu/registrar/transreq.pdf>. Requests will be processed in order of receipt, but may take up to seven business days.

Thank you for your patience as we work together to promote the health and safety of the Chipola community. If you have questions, please contact the Chipola Office of Admissions and Records at 850-718-2311 or email admissions@chipola.edu.

Regards,

Shannon C. Mercer
