

March 17, 2020

Students and Employees,

Today, Governor DeSantis and Commissioner Corcoran ordered the Florida College System campuses to close and go fully online with instruction for the remainder of the semester. Students can contact instructors and access all courses in Canvas on March 30. We will provide phone numbers and emails for answering your questions or concerns on March 30. Our goal is to provide the opportunity for students to complete their courses by the end of the semester, but we understand we have to meet challenges to accomplish this. Employees will work remotely and should contact their supervisors by phone or email for further information.

Let us know how we can support you as we all do our very best at Chipola to stay safe and keep learning going. Please do your best to protect yourself, family, and the community.

Sarah Clemmons

President
Chipola College
