## STUDENT AUTHORIZATION STATEMENT

Your Federal and State Financial Aid proceeds will be transmitted to Chipola College. You must be registered in an eligible program for financial aid according to the information you received with your Financial Aid Award Notice.

Program regulations permit students to authorize use of Title IV financial aid funds for other expenses such as books and supplies. If you are eligible for Federal and State financial aid in excess of tuition and fees, and you wish to use this excess to cover bookstore charges, you must authorize Chipola College to pay these charges from your account balance. You may rescind this authorization at any time prior to incurring such charges, but you may not cancel it once such charges have been made on your behalf. To rescind this authorization, contact the Chipola College Financial Aid Office. This authorization is valid for funds in excess of tuition and fees, based on your financial aid eligibility and enrollment status.

By signing below, I hereby authorize Chipola College to use my Federal Title IV and State financial aid funds to pay for any bookstore purchases charged to my account.
