Dear Arts Supporter:

Since 1989, the Chipola Regional Arts Association (CRAA), a fiduciary of the Chipola College Foundation, has provided critical support for cultural activities in our five-county area. The difference that we have made in our communities is a direct result of your loyal and generous support. THANK YOU! Recognizing that the arts are an essential educational element, CRAA is committed to improving arts education that is significantly underfunded. If you choose to contribute to CRAA your money will go to the following:

1. CRAA awards Mini-Grants of up to $250 to area school art, drama, and music teachers.
2. CRAA has sponsored Children’s Programming in music, art, and theatre for over 25,000 school children in the Chipola District. These free-of-charge programs allow students to experience art that otherwise would be inaccessible.
3. CRAA has sponsored professional touring groups including this year’s Artist Series Season: Trio Viseltar, Then Sings My Soul, Embraceable You, and Unsinkable Women.
4. Chipola College Arts Scholarships are offered on rotation to students from the five-county area since 1993.
5. For the past 10 years in November, CRAA has assisted with The Sunday Afternoon with the Arts that allows regional and national artists to exhibit their work. This event is always held the first Sunday in November at Chipola College.

The Chipola Regional Arts Association (CRAA) is deeply grateful for your past support without which none of this could have been accomplished. We ask that you please take a moment to write a check to continue your generous contribution to the well being of the arts in our community.

You are invited to attend each monthly Dutch-treat luncheon meetings featuring a different and interesting arts program. If you wish to be notified of monthly program meetings, please email Membership Chair, Dr. Christine Yoshikawa at christinemari@christineyoshikawa.com.

Thanks to art, instead of seeing one world, our own, we see it multiplied and, as many original artists as there are, so many worlds are at our disposal.
