

Dear Friends,

I am delighted to welcome you to Chipola College's 2nd season of the *Spring Into Summer* Concert Series! We thank you, our community and patrons, for your continued loyal support in the Fine Arts, and I am looking forward to having you join our extraordinary musicians and their incredible music making again this season!

The primary mission of the *Spring Into Summer* series is to present our finest local chamber music ensembles and soloists to our cherished audience on a Sunday Matinée during our spring and summer months. Concerts in this series can range from classical offerings to modern, and the events take place in our new Center For The Arts' Experimental Theatre. All concerts begin at 2 p.m., and admission is by donation. All proceeds from the concerts go toward our visiting artists.

Sunday, April 21, 2013 - *Young Artist Showcase* marks an exciting opening concert for this season that will feature outstanding instrumentalists from Chipola College and Gulf Coast State College. We are excited to have these talented young artists join us for this first concert of the season!

I look forward to continue serving as your Artistic Director in this wonderful concert offering at Chipola College. Please join me in this special venture in presenting you with scintillating and innovative recitals this season and beyond!

Musically Yours,

Dr. Christine Yoshikawa, DMA
