McLendon Extended Two-Year Scholarship

The McLendon Extended Two-Year Scholarship is for a student that has previously received a McLendon Educational Trust Scholarship at Chipola College. The McLendon Extended Two-Year Scholarship will be for a student's Junior and Senior years of college beyond Chipola and will cover in-state tuition and books up to $5,700.00 for each year. The purpose of this scholarship is to reward two McLendon Educational Trust Scholarship recipients that have excelled both academically and in leadership activities while at Chipola.

The scholarship selection process will be based on grade point average as well as campus activities, community activities, and other leadership activities that students may be involved in while at Chipola. You will need to outline your activities in the letter that is submitted with the application.

Applications must be submitted to the Foundation office on or before 4:00 p.m. Tuesday, June 7, 2016 not postmarked by the deadline date. The recipient will be notified prior to the Fall semester. Arrangements will be made with the recipients chosen college or university for a transfer of funds for his/her tuition and books. At the end of the recipient's Junior year, he/she will submit his/her grades to the Foundation and will be required to have a cumulative grade point average of 2.5 or greater in order to receive additional funding toward his/her Senior year.

If the recipient of the McLendon Extended Two-Year Scholarship plans to continue his/her education out-of-state or at a private college, the scholarship award amount will not increase and will be at the rate of in-state tuition for the state university system.

After the application deadline, the Scholarship Committee will review and rank the applications to determine the winners. The recipients will be contacted by mail.

Only complete application packages will be considered for funding.
