Houghton Mifflin Web Site

To access the text web site and useful resources:

http://college.hmco.com/flash.html

Select students

Select your Course Area (mathematics)

Select Calculus

Select your text: Larson et al. Calculus, Calculus I, Calculus II, Calculus of a Single Variable, Multivariable Calculus, 8e (make sure to access the 8th edition)

Or you can link directly to:

Select “General Resources”
Under the general resources you will find several useful links. The most useful is the link to Calc Chat. At this site you can see how the odd numbered problems are worked out. First explore the Calc Chat site, then scout around and see what other useful sites you can find....
