Addendum to EDF 3214 Syllabus:

1. Class will begin at the scheduled time, initially and after break. Students are expected to be prepared to begin work at this time. Students will be counted tardy if they are late at the beginning of class, late after the break, or if they leave early. Three tardies could be recorded in one day. The following requirements will be upheld:
 - A. Three late arrivals and/or early departures are equivalent to one absence.
 - B. A tardy of more than 15 minutes will be recorded as an absence.
2. Procedures
 - A. Students are expected to complete reading assignments prior to each class so they can actively participate in class discussions and group activities.
 - B. Work is to be handed in at the beginning of class – on the assigned due dates. A zero will be assigned to work handed in after this time.
 - C. Student conversations in class must be confined to specific course readings and relevant examples.
 - D. The class will follow the course syllabus as closely as possible. Changes may be made to allow for observations and other visits. Regular attendance in class will assure getting all pertinent information.
 - E. Remember that class time is not meal time. Beverages must be in a leak proof container.
 - F. Cell phone/Electronic Device Usage Campus-wide Policy (see Catalog or planner). All electronic devices such as cell phones, beepers, pagers, and related devices are to be silenced prior to entering classrooms and/or laboratories to avoid disruption. Should it become necessary for a student to

leave his/her "device" on to send or receive an emergency call and/or text message, the student must inform the instructor prior to class. If the student finds it necessary to send and/or receive an emergency call and/or text message during class/lab time, he/she is instructed to take all books and belongings and step outside the classroom to deal with the situation. To minimize classroom disruption and the distraction to classmates, the student will not be permitted to reenter the classroom during that class period. Any time a test is being administered all such devices must be turned off and put away. If a device is seen or heard during an exam, a score of zero will be given for that exam. Initial and repeated infractions may result in disciplinary action.

G. No laptops without permission.
