ATTENDANCE AND WITHDRAWAL POLICIES:
Chipola College expects regular attendance of all students, and all instructors record attendance daily. Students who are absent from classes for any reason other than official college activities must satisfy the instructor concerned that the absence was due to illness or other clearly unavoidable reasons. Otherwise, the student may suffer grade loss at the discretion of the instructor. Chipola policy allows each instructor to specify in
the Instructor First Day Handout whether or not an absence is excusable and what affect the absence or tardy may have on the grade.

A student is allowed to repeat a course a maximum of three (3) times. **On the third attempt a student (1) must bear the full cost of instruction (unless waived by Student Services), (2) cannot withdraw, and (3) must receive a grade.**

**MAKE-UP POLICY:**
Chipola allows each instructor to specify in the Instructor First Day Handout the makeup policy.

MEANS OF ACCOMPLISHING STUDENT LEARNING OUTCOMES:

Lecture is the primary method of instruction. Students are expected to be attentive and are encouraged to ask questions. Lectures will come primarily from the textbook in formats that may include power point presentations, white board illustrations, videos, and web-based technologies. Laboratory activities are designed to correlate with the lecture material to aid in student understanding. Homework assignments, including the web-based Mastering Anatomy & Physiology, are required. Projects, that vary in content from semester to semester, are also utilized to expand student knowledge and understanding of the course material.
