STUDENT LEARNING OUTCOMES FOR EDF 4430:
Students enrolled in EDF 4430 will be required to complete following.
A. Exam: A final exam will be given at the end of this course.

B. Tasks:
   1. Task 1.1.1 – Unit Exam: Create a unit assessment instrument.
   2. Task 1.2.1 – Alternative Assessment: Create an alternative assessment for higher-order outcomes.
   3. Task CC1A – Test Analysis: Analyze the results of various forms of assessment to determine strengths, weaknesses and mastery of learning outcomes.

All tasks must meet the criteria for “demonstrated” as determined by the scoring rubric to earn credit for this course.

All Tasks and Assignments are due at the beginning of class on the due date unless otherwise specified by the instructor. Work not submitted at the time the instructor collects it will be considered late and will receive a zero (0) for the grade. Late tasks may be submitted.
within one calendar week of the due date for Demonstration purposes only, but the zero (0) grade will remain.

A task judged as “not demonstrated” must be resubmitted for the purpose of demonstrating the FEAP indicators. Resubmissions must be received by the beginning of class on the due date indicated by the instructor on the rubric when it is returned to the student. Although the original grade is final and no points are added for resubmissions, failure to resubmit by the deadline will result in a ten-point penalty PER DAY grade reduction.

C. **Major Assignments** – A collection of quizzes and daily assignments. Missed quizzes/assignments cannot be made up and will be scored as a zero.

**ATTENDANCE, PROCEDURES, AND WITHDRAWAL POLICIES:**

1. **Attendance:** Students are expected to attend every class. Class will begin at the scheduled time, initially and after break. Students are expected to be prepared to begin work at this time. Students will be counted tardy if they are late at the beginning of class, late after the break, or if they leave early. Professionalism in attendance and participation will be as follows:
   - A. Tardy – minus 3 points each time
   - B. Cell phone or improper computer use – minus 10 points each occurrence.

2. **Absent** – minus 10 points each; more than three absences will receive a zero for participation.

3. **Procedures.**
   - A. Students are expected to complete reading assignments prior to each class so they can actively participate in class discussions and group activities.
   - B. Work is to be handed in at the beginning of class – on the assigned due dates. Late assignments receive a score of zero.
   - C. Student conversations in class must be confined to specific course readings and relevant examples.
   - D. Please finish meals before coming to class. Beverages must be in a leak proof container and food should be limited to snack items.

**MAKE-UP POLICY:**

Students are responsible for all work missed during any absence (excused or unexcused). For example, an absence does not excuse a student from having an entry in his or her reflective journal covering the information discussed during that class meeting. It is the student’s responsibility to get the handouts and other materials. Do not use class time to get these materials.

Major assignments not turned in on or before the due date will NOT be accepted. A grade of zero will be assigned to tasks not turned in on or before the due date. This holds for students who are absent on the due date. Exams cannot be made up unless some arrangements have been made prior to the scheduled administration.

See your Instructor First Day Handout for individual instructor assignment schedule.
