COURSE TITLE: Curriculum and Instructional Strategies for Students with Disabilities (Grades 6-12)  
COURSE NUMBER: EEX 4265

COURSE DESCRIPTION (with prerequisites):
This course focuses on specialized methods and instructional strategies necessary for special educators to meet the needs of students with disabilities in grades 6-12. Emphasis will be placed on the development, selection, and utilization of appropriate curriculum and instructional approaches for students in grades 6-12 which correspond to the capabilities and styles of diverse learners. Teacher candidates will identify general education curriculum including state-adopted standards and Access Points for students in grades 6-12. 3 semester hours credit.

NAME(S) OF INSTRUCTORS: TBD

EFFECTIVE ACADEMIC YEAR: 2018-2019

REQUIRED TEXTBOOKS AND INSTRUCTIONAL MATERIALS:

Appropriate dress for field experience: black/khaki slacks and School of Education polo (Polos are available in the campus bookstore.)

GRADING POLICY:
The standing of a student in each course is expressed by one of the following letters and corresponding grading system:
A – 90 – 100
B – 80 – 89
C – 70 – 79
D – 60 – 69
F – 59 or less
The Chipola Catalog provides policies and procedures regarding the grading system. A student’s Grade Point Average is derived from the grading system/quality point scale.

ATTENDANCE AND WITHDRAWAL POLICIES:
Chipola College expects regular attendance of all students, and all instructors record attendance daily. Students who are absent from classes for any reason other than official college activities must satisfy the instructor concerned that the absence was due
to illness or other clearly unavoidable reasons. Otherwise, the student may suffer grade
loss at the discretion of the instructor. Chipola policy allows each instructor to specify in
the Instructor First Day Handout whether or not an absence is excusable and what
affect the absence or tardy may have on the grade.

A student is allowed to repeat a course a maximum of three (3) times. On the third
attempt a student (1) must bear the full cost of instruction (unless waived by
Student Services), (2) cannot withdraw, and (3) must receive a grade.

MAKE-UP POLICY:
Chipola allows each instructor to specify in the Instructor First Day Handout the makeup
policy.

ACADEMIC HONOR CODE POLICY:
Students are expected to uphold the Academic Honor Code. Chipola College’s Honor
Code is based on the premise that each student has the responsibility to (1) uphold the
highest standards of academic honesty in his/her own work; (2) refuse to tolerate
academic dishonesty in the college community; and (3) foster a high sense of honor and
social responsibility on the part of students. Further information regarding the Academic
Honor Code may be found in the Chipola Catalog, Student Governance section.

STUDENTS WITH DISABILITIES POLICY:
Chipola College is committed to making all programs and facilities accessible to anyone
with a disability. Chipola’s goal is for students to obtain maximum benefit from their
educational experience and to effectively transition into the college environment.
Students with disabilities are requested to voluntarily contact the Office of Students with
Disabilities to complete the intake process and determine their eligibility for reasonable
accommodations.

NOTICE OF EQUAL ACCESS/EQUAL OPPORTUNITY AND NONDISCRIMINATION:
Chipola College does not discriminate against any persons, employees, students,
applicants or others affiliated with the college with regard to race, color, religion,
ethnicity, national origin, age, veteran’s status, disability, gender, genetic information,
marital status, pregnancy or any other protected class under applicable federal and
state laws, in any college program, activity or employment.

Wendy Pippen, Associate Vice President of Human Resources, Equity Officer and Title
IX Coordinator, 3094 Indian Circle, Marianna, FL 32446, Building A, Room 183C,
850-718-2269, pippenw@chipola.edu.
LIBRARY AND ON-LINE REFERENCE MATERIALS:
The library is a comprehensive learning resource center providing information in print, electronic, and multimedia format to support the educational objectives of the College. On-line catalogs, e-books and electronic databases can be accessed by using the LINCCWeb icon on the Chipola Library website at www.chipola.edu/library. If you have questions about database usage consult the “How to Use the Chipola Databases” on the Library website or call the Library at 850/718-2274 during regular hours. Library hours are posted each semester at the building entrance and on the Library website. See your Instructor First Day Handout for individual instructor recommendations and resources.

TECHNOLOGY RESOURCES:
The college’s learning management system is Canvas. Classes become available on Canvas on the first day of the semester. It is the student’s responsibility to log onto the Canvas system the first day of class to establish the first day of attendance and to check announcements. All official class communication must be through Canvas. For further information, contact your instructor or the Director of eLearning. The Canvas support hotline is available online in live chat and on the phone, toll-free, at 855-308-2812 for any issues in accessing or utilizing Canvas. The Technology Center, located in the library, is equipped with computer workstations. Lab hours are posted each semester at the building entrance and on the Library website.

FREE TUTORING RESOURCES:
The Academic Center for Excellence (ACE) Lab, located in Building L, offers free tutoring from 8 a.m. to 5 p.m. and is equipped with computer workstations. ACE lab hours are posted each semester at the room entrance and on the website. Additionally, Chipola College has contracted Smarthinking, a Pearson Company, for online tutoring services, accessible especially from 5 p.m. to 8 a.m. and weekends. Smarthinking can be accessed through Canvas.

ELECTRONIC DEVICE USAGE STATEMENT:
Classrooms should be free of all unnecessary distractions from the task of learning. Therefore, as a general rule, students should silence and avoid use of all electronic devices (laptops, phones, tablets, etc.) not being used for coursework. Consult first-day handouts for any specific policies related to the use of electronic devices in the classroom, as they may vary depending upon the nature of the course or the guidelines of the instructor. Faculty reserve the right to regulate the use of electronic devices and their accessories in class.

DISCIPLINE SPECIFIC COMPETENCIES / LEARNING OUTCOMES:
E-1 Demonstrate understanding of instructional design and lesson planning by applying concepts from human development and learning theories.
E-2 Demonstrate ability to maintain a student-centered learning environment that is safe, organized, equitable, flexible, inclusive and collaborative.
E-3 Demonstrate effective instructional delivery and facilitation by utilizing deep and comprehensive knowledge of instructional methods.

E-4 Demonstrate understanding of assessment by analyzing and applying data from multiple assessments to diagnose learning needs and inform instruction.

E-5 Demonstrate continuous improvement by designing purposeful goals to strengthen instructional effectiveness and impact student learning.

E-6 Demonstrates professional responsibility and ethical conduct and fulfills expected obligations to students, the public, and the education profession.

**Means of Accomplishing Student Learning Outcomes:**

1. Attend and participate in class regularly.
2. Read all assigned material before class.
3. Study in-class notes and on-line Canvas materials.
4. Complete assigned projects/tasks in a timely manner to include reflections and revisions on the final product.
5. Collaborate with peers and other professionals.

**Assignment and/or Course Outline**

Students MUST wear black/khaki slacks and a School of Education polo to all PK-12 campuses. The shirts are available at the campus bookstore for student purchase.

Course Evaluation Criteria:

- No Grade will be given for the course until all tasks have been successfully demonstrated AND an acceptable formal reflection is submitted with each task. The average grade for all TASKS will make up 50% of the final grade.
- Five Tests taken during this semester will make up 30% of the final grade.
- Quizzes will make up 10% of the final grade.
- Discussions will make up 10% of the final grade.
**TASKS:**

**Task CC11A (1.4, 1.7, 1.10, 1.11)**
Using a case study of a secondary student with disabilities provided by the instructor, the teacher candidate will determine strengths, needs, and necessary accommodations and modifications for the student. The candidate will also identify and write measurable annual goals and short-term objectives for the student using the information in the case study. Transition goals will be written and included as part of the IEP.

**Task CC1D (1.4, 1.6, 1.7, 1.12) - Portfolio Assessment**
The teacher candidate will review work samples from a student to determine strengths and weaknesses and evaluate the data to determine if the student is an appropriate candidate for a portfolio assessment. The data must contain a minimum of ten products from at least three sources. The teacher candidate will provide a summary that includes how the teacher candidate triangulated the data and a description of each student’s strengths and weaknesses. A description of how to proceed with instruction for the student, based on the student’s current level of academic functioning, will also be included in the written product.

**Task CC3E (5.4, 5.5)**
Each teacher candidate must show evidence of professional growth during this course. This evidence should be acquired by reading articles from various professional journals in the field of teaching exceptional students. Each teacher candidate will submit a minimum of six article summaries with a reflection for each. The reflection should include the teacher candidate’s opinion regarding the content of the article, its relevance to the exceptional student education classroom/student, how the content benefits the teacher candidate’s knowledge of the ESE classroom/student, and a discussion of information in the article that is new to the student.

**Task 4.4.1 (1.1, 1.3, 1.6, 6.4) - Critical Thinking Strategies and Materials File**
This is a critical task in which the teacher candidate collects strategies to promote critical/creative thinking and problem solving within a lesson plan designed for the exceptional education classroom/student. Each strategy in the collection is described in a narrative and then incorporated into a lesson plan that is aligned with state-adopted standards at the appropriate level of rigor for grades six through twelve. The lesson plans must be fully developed to provide learning experiences that require students to demonstrate a variety of applicable skills and competencies and lead to mastery of the standard(s). At least one lesson plan must include the use of appropriate technology. All lesson plans that contain a technology component must contain procedures for the safe, appropriate and ethical use of the technology. The product is the file of annotated strategies and lesson plans.

**Task CC10D**
This task is designed for the teacher candidate to create a field journal including personal reflections on his/her participation and interactions in a special education 6-12 classroom. The journal should contain an entry for each of the 15 hours of field
experience plus reflections on any lessons (at least one) taught by the teacher candidate. The journal should also contain lesson plans on the Chipola College template for any lessons taught by the teacher candidate.

Written Assignments and TASKS will be submitted using the American Psychological Association (APA) most recent edition format.

Students can refer to the Purdue Online Writing Lab Website for an example of acceptable APA writing format.  http://owl.english.purdue.edu/owl/resource/560/01/ and at http://www.chipola.edu/instruct/letters/APA%202012.pdf.

See your Instructor First Day Handout for individual instructor assignment schedule.
