ASSIGNMENT AND/OR COURSE OUTLINE
Course Requirements:
Students enrolled in LAE 3464 will required to complete the following.

10-hours Observation/Participation/Teaching
This course requires 10 hours of observation, participation, and teaching in a local public school. You must observe in grades 5-9, and may not earn more than 2 hours in one day for this course. Be sure to sign in at the school EVERY time you go, even if the school says it is not required. The log must be turned in to the instructor by the designated date. Any falsification of signatures or other data on the log will result in an Honor Code Violation* to be placed in your permanent record, a letter-grade reduction of this course’s final grade*, and you will have to complete an additional 10 hours in a school and classroom designated by the instructor. Failure to complete the required hours or failing to turn in the form by the designated date will cause you to receive an Incomplete for this course until the hours are satisfactorily completed and the log submitted. YOU ARE EXPECTED TO ACT IN A PROFESSIONAL MANNER WHILE IN THE SCHOOL SETTING. YOU ARE ALSO EXPECTED TO GO TO THE SCHOOL ON A REGULAR SCHEDULE SO THE TEACHER KNOWS WHEN TO EXPECT YOU.

*If this is your first Honor Code Violation; if you already have an Honor Code Violation on file, you could receive a failing grade for the course and/or face a committee hearing and expulsion from the Teacher Education Program.

Tasks (50% of final grade)
*Tasks must meet the criteria for “demonstrated” as determined by the scoring rubric to
earn credit for this course. Tasks are due at the beginning of class. Tasks and Major Assignments are considered “LATE” after the moment the instructor takes them up. Any task/major assignment received late (WHICH BEGINS AFTER THE FIRST 5 MINUTES OF CLASS) will result in a grade of 10 point deduction PER DAY. THIS WILL ONLY BE VALID FOR A 48 HOUR PERIOD. AFTER THOSE 48 HOURS THE GRADE WILL GO TO A ZERO. A task judged as “partially demonstrated” or “not demonstrated” may be resubmitted for the purpose of demonstrating the accomplished practice indicator (YOUR GRADE WILL NOT CHANGE).
The original grade will be used when calculating the course average. Points will not be added for resubmissions but will be deducted if not resubmitted within the timeframe set forth by the instructor. **To pass this class ALL tasks must be successfully demonstrated with “acceptable” formal reflections included.**

**Task CC8H – Language Arts Skills and Strategies:** This task is designed for the student to apply knowledge of language arts strategies and skills being used in classrooms and how they can be integrated in with one another. Students will use information learned from class discussions about the various strategies and skills of language arts to compose a written response about what are the most common methods, research, and trends being used in schools today.

**Task 4.4.1 – Critical Thinking Strategies and Materials File:** This is a critical task in which the teacher candidate collects strategies to promote critical/creative thinking and problem solving within a lesson plan. Each strategy in the collection is described in a narrative and then incorporated into a lesson plan that is aligned with state-adopted standards at the appropriate level of rigor for grades five through nine. The lesson plans must be fully developed to provide learning experiences that require students to demonstrate a variety of applicable skills and competencies and lead to mastery of the standard(s). At least one lesson plan must include the use of technology. All lesson plans that contain a technology component must contain procedures for the safe, appropriate and ethical use of the technology(ies). The product is the file of annotated strategies and lesson plans.

**Quizzes (10% of final grade)**
After activities and instruction from various chapters of the book, there will be a quiz. **Quizzes cannot be made up if missed.** If you know you are going to be absent, you must contact the instructor prior to class and arrangements can be discussed to take the quiz before the anticipated absence, but not after.

**Exams (10% of final grade)**
There will be one midterm and one final exam. They will each receive equal weight.

**Major Assignments (20% of final grade)**

1. **Focused Observation Responses** - During your practicum hours, you will have focused questions and action to be looking for. You will be expected to submit
responses to the action you are hoping to observe. This will serve as a method of reflecting on each classroom visit.

2. Responding to Scored Samples – Within the classroom setting, we will be scoring some writing samples and providing feedback according to the FCAT Writing Rubric Language. After this model is provided for you, you will be expected to analyze a student’s writing sample, score it according to the FCAT Writing Rubric, and provide feedback in the form of strengths and weaknesses in each of the four areas of writing.

3. Teaching Experience – to be conducted within your practicum hours - You should collaborate with your cooperating teacher to prepare and teach a whole-class lesson in at least one of the four different areas of language arts (reading, writing, listening, and speaking). The skill being taught should complement whatever the classroom teacher is working on and will be tied into the Sunshine State Standards. The lesson will be evaluated by your college instructor or your cooperating teacher using the Chipola Practicum Teaching observation form. Your lesson plan should follow the Chipola Standard Lesson Plan Format and be submitted to the instructor AND the cooperating teacher NO LESS THAN 24 hours PRIOR to the lesson. After you teach the lesson, you should complete the Observation Reflection Narrative within one calendar week of the lesson and submit to your college instructor. Reflection Narratives not received within one calendar week from the day of the lesson will not be accepted.

4. Adolescent Poetry – You will be developing a file of poetry that would be appropriate to use with adolescents. You will be sharing 10 poems and describing activities for using each poem in the classroom.

5. Independent Reading and Response to Adolescent Literature – You will be making selections from the approved list to read. The purpose of this assignment is to give you the opportunity to read widely, which ultimately better prepares you to help “find the right book for the right student at the right time.” You will be provided further information on a response template.

7. Issues Paper – Young adult literature focuses often on issues such as identity, race, gender, and sexuality. For this paper, students will read one book that focuses on an issue, and explore how that issue is developed in the text. It will be a close reading with some outside research including information dealing with the accuracy of how the issue was presented and how it could be approached and used for learning purposes within the classroom.

See your Instructor First Day Handout for individual instructor assignment schedule.
