A – 90 – 100
B – 80 – 89
C – 70 – 79
D – 60 – 69

Students who are absent from classes for any reason other than official college activities must satisfy the instructor concerned that the absence was due to illness or other clearly unavoidable reasons. Otherwise, the student may suffer grade loss at the discretion of the instructor. Chipola policy allows each instructor to specify in the Instructor First Day Handout whether or not an absence is excusable and what affect the absence or tardy may have on the grade.

A student is allowed to repeat a course a maximum of three (3) times. On the third attempt a student (1) must bear the full cost of instruction (unless waived by Student Services), (2) cannot withdraw, and (3) must receive a grade.

ASSIGNMENT AND/OR COURSE OUTLINE

TASKS:

LAE 4335 is a required course for English Education. Students enrolled in LAE 4335 will complete the following:

**Tasks:**

1. **CC3E:** Each student must show evidence of professional growth during this course. This evidence may be acquired by (1) attending an English seminar, such as the FCTE or NCTE Conference or (2) reading articles from a professional journal in English education or related area and recording ideas from one veteran teacher. Each student will submit a minimum of six presentation or article summaries (handouts and worksheets included) and a reflection. The reflection should include the student’s opinion regarding a lesson: (1) the feasibility of implementation (if appropriate) (2) its effectiveness (3) whether the student plans to use it in the future (4) any modifications the student would make.

2. **Task 2.2.1** - The teacher candidate has three 15-30-minute lessons videotaped or observed by an instructor, evaluates his/her performance, and obtains an external evaluation from a peer or the mentor on each lesson. The product is the set of three self-assessments (one of which must be typed), three peer/mentor assessments and the teacher candidate’s summary of what he/she has learned.

3. **Task 5.4.2** - The teacher plans a lesson for a class containing diverse students. The teacher is observed to determine effectiveness of instruction with a diverse student population. This observation targets sensitivity, equitable treatment, and planning for students from different backgrounds, levels of English proficiency, cultures, and skill levels. The candidate must apply knowledge of current practices in ESOL by selecting, adapting and using a wide range of strategies, materials, resources, and technologies to improve teaching and learning for ELLs. The product is the rationale for class selecting the lessons, the lesson plans, and the completed observation instruments.

4. **Task CC8E:** The teacher candidate completes a series of performance tasks that require specific content knowledge in the areas of reading, writing, speaking, grammar, listening, viewing, and media literacy. If the student has passed the subject area exam for his/her major, then this task has been completed. For this exemption, a copy of the passing score must be recorded in the data base by end of the first week of classes.

All tasks must meet the criteria for “demonstrated” as determined by the scoring rubric to earn credit for this course.

All Tasks and Assignments are due at the beginning of class on the due date unless otherwise specified by the instructor. Work not submitted at the time the instructor collects it will be considered late and will receive a zero (0) for the grade. Late tasks...
may be submitted within one calendar week of the due date for Demonstration purposes only, but the zero (0) grade will remain.

A task judged as “not demonstrated” must be resubmitted for the purpose of demonstrating the FEAP indicators. Resubmissions must be received by the beginning of class on the due date indicated by the instructor on the rubric when it is returned to the student. Although the original grade is final and no points are added for resubmissions, failure to resubmit by the deadline will result in a ten-point penalty PER DAY grade reduction.

See your Instructor First Day Handout for individual instructor assignment schedule.
