**COURSE TITLE:** Introduction to Abstract Algebra  
**COURSE NUMBER:** MAS 4301

**COURSE DESCRIPTION (with prerequisites):**
This course introduces the basic concepts of abstract algebra, including the topics of mappings, relations, number systems, groups, rings, fields, and integral domains. There is an emphasis on the use of sets as a basis for defining and working with groups, rings, fields, and integral domains. Prerequisite/Corequisite: MAS 4203 or MAS 3105. 3 semester hours credit.

**NAME(S) OF INSTRUCTORS:**
Dr. Irma Cruz-White

**EFFECTIVE ACADEMIC YEAR:**
Not Currently Offered

**REQUIRED TEXTBOOKS AND INSTRUCTIONAL MATERIALS:**

**GRADING POLICY:**
The standing of a student in each course is expressed by one of the following letters and corresponding grading system:

- **A** – 90 – 100
- **B** – 80 – 89
- **C** – 70 – 79
- **D** – 60 – 69
- **F** – 59 or less

The Chipola Catalog provides policies and procedures regarding the grading system. A student’s Grade Point Average is derived from the grading system/quality point scale.

**ATTENDANCE AND WITHDRAWAL POLICIES:**
Chipola College expects regular attendance of all students, and all instructors record attendance daily. Students who are absent from classes for any reason other than official college activities must satisfy the instructor concerned that the absence was due to illness or other clearly unavoidable reasons. Otherwise, the student may suffer grade loss at the discretion of the instructor. Chipola policy allows each instructor to specify in the Instructor First Day Handout whether or not an absence is excusable and what affect the absence or tardy may have on the grade.
A student is allowed to repeat a course a maximum of three (3) times. **On the third attempt a student** (1) **must bear the full cost of instruction** (unless waived by Student Services), (2) **cannot withdraw**, and (3) **must receive a grade**.

**MAKE-UP POLICY:**
Chipola allows each instructor to specify in the Instructor First Day Handout the makeup policy.

**ACADEMIC HONOR CODE POLICY:**
Students are expected to uphold the Academic Honor Code. Chipola College’s Honor Code is based on the premise that each student has the responsibility to (1) uphold the highest standards of academic honesty in his/her own work; (2) refuse to tolerate academic dishonesty in the college community; and (3) foster a high sense of honor and social responsibility on the part of students. Further information regarding the Academic Honor Code may be found in the Chipola Catalog, Student Governance section.

**STUDENTS WITH DISABILITIES POLICY:**
Chipola College is committed to making all programs and facilities accessible to anyone with a disability. Chipola’s goal is for students to obtain maximum benefit from their educational experience and to effectively transition into the college environment. Students with disabilities are requested to voluntarily contact the Office of Students with Disabilities to complete the intake process and determine their eligibility for reasonable accommodations.

**NOTICE OF EQUAL ACCESS/EQUAL OPPORTUNITY AND NONDISCRIMINATION:**
Chipola College does not discriminate against any persons, employees, students, applicants or others affiliated with the college with regard to race, color, religion, ethnicity, national origin, age, veteran’s status, disability, gender, genetic information, marital status, pregnancy or any other protected class under applicable federal and state laws, in any college program, activity or employment.

Wendy Pippen, Associate Vice President of Human Resources, Equity Officer and Title IX Coordinator, 3094 Indian Circle, Marianna, FL 32446, Building A, Room 183C, 850-718-2269, pippenw@chipola.edu.

**LIBRARY AND ON-LINE REFERENCE MATERIALS:**
The library is a comprehensive learning resource center providing information in print, electronic, and multimedia format to support the educational objectives of the College. On-line catalogs, e-books and electronic databases can be accessed by using the LINCCWeb icon on the Chipola Library website at [www.chipola.edu/library](http://www.chipola.edu/library). If you have questions about database usage consult the “How to Use the Chipola Databases” on the Library website or call the Library at 850/718-2274 during regular hours. Library hours are posted each semester at the building entrance and on the Library website. See your Instructor First Day Handout for individual instructor recommendations and resources.
TECHNOLOGY RESOURCES:
The college’s learning management system is Canvas. Classes become available on Canvas on the first day of the semester. It is the student’s responsibility to log onto the Canvas system the first day of class to establish the first day of attendance and to check announcements. All official class communication must be through Canvas. For further information, contact your instructor or the Director of eLearning. The Canvas support hotline is available online in live chat and on the phone, toll-free, at 855-308-2812 for any issues in accessing or utilizing Canvas. The Technology Center, located in the library, is equipped with computer workstations. Lab hours are posted each semester at the building entrance and on the Library website.

FREE TUTORING RESOURCES:
The Academic Center for Excellence (ACE) Lab, located in Building L, offers free tutoring from 8 a.m. to 5 p.m. and is equipped with computer workstations. ACE lab hours are posted each semester at the room entrance and on the website. Additionally, Chipola College has contracted Smarthinking, a Pearson Company, for online tutoring services, accessible especially from 5 p.m. to 8 a.m. and weekends. Smarthinking can be accessed through Canvas.

ELECTRONIC DEVICE USAGE STATEMENT:
Classrooms should be free of all unnecessary distractions from the task of learning. Therefore, as a general rule, students should silence and avoid use of all electronic devices (laptops, phones, tablets, etc.) not being used for coursework. Consult first-day handouts for any specific policies related to the use of electronic devices in the classroom, as they may vary depending upon the nature of the course or the guidelines of the instructor. Faculty reserve the right to regulate the use of electronic devices and their accessories in class.

DISCIPLINE SPECIFIC COMPETENCIES / LEARNING OUTCOMES:
ED Outcome 1: Demonstrate understanding of instructional design and lesson planning by applying concepts for human development and learning theories.

ED Outcome 2: Demonstrate ability to maintain a student-centered learning environment that is safe, organized, equitable, flexible, inclusive, and collaborative.

ED Outcome 3: Demonstrate effective instructional delivery and facilitation by utilizing deep and comprehensive knowledge of exceptional student education.

ED Outcome 4: Demonstrate understanding of assessment by analyzing and applying data from multiple assessments to diagnose learning needs and inform instruction.

ED Outcome 5: Demonstrate continuous improvement by designing purposeful goals to strengthen instructional effectiveness and impact student learning.

ED Outcome 6: Demonstrate professional responsibility and ethical conduct and fulfill expected obligations to students, the public, and the education profession.
**TASKS:**
MAS 4301 is not a General Education core course. Therefore a student in MAS 4301 may not demonstrate learning outcomes from this list.

<table>
<thead>
<tr>
<th>STUDENT LEARNING OUTCOMES FOR MAS 4301</th>
<th>NCTM Standards Secondary Mathematics</th>
<th>FL Competencies and Skills: Mathematics 6-12</th>
<th>Assessment Activities/Artifacts</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students will be able to develop formal mathematical proofs and derivations of definitions involving number systems, groups, rings, fields, and integral domains.</td>
<td>Standard 1a: A.1.1, A.1.2, A.2.6 Standard 2: 2b, 2d</td>
<td>9.1, 9.3</td>
<td>UT, F, H</td>
</tr>
<tr>
<td>Students will understand the properties of groups/subgroups and will be able to determine if an algebraic system is one.</td>
<td>Standard 1a: A.2.6</td>
<td>1.1</td>
<td>UT, F, H</td>
</tr>
<tr>
<td>Students will understand the properties of rings and will be able to determine if an algebraic system is a ring.</td>
<td>Standard 1a: A.2.6</td>
<td>1.1</td>
<td>UT, F, H</td>
</tr>
<tr>
<td>Students will learn the meanings of homomorphisms and isomorphisms as they apply to the mapping of groups/rings. They will be able to determine if mappings are homomorphic or isomorphic.</td>
<td>Standard 1a: A.2.6</td>
<td>3.2, 3.4</td>
<td>UT, F, H</td>
</tr>
<tr>
<td>Students will identify types of rings such as Integral Domains and study their specific properties.</td>
<td>Standard 1a: A.2.6</td>
<td>1.1</td>
<td>UT, F, H</td>
</tr>
<tr>
<td>Students will determine if a ring is a field and study specific properties of fields.</td>
<td>Standard 1a: A.2.6</td>
<td>1.1</td>
<td>UT, F, H</td>
</tr>
</tbody>
</table>

**Assessment Codes**

MEANS OF ACCOMPLISHING STUDENT LEARNING OUTCOMES:
1. Attend and participate in class regularly.
2. Read all assigned material before class.
3. Study in-class notes and on-line (Canvas) materials.
4. Complete assigned projects in a timely manner to enable reflections and revisions on the final product.
5. Seek opportunities to practice teaching skills through tutoring and substituting in 6 – 12 schools.
6. Collaborate with peers and other professionals.

ASSIGNMENT AND/OR COURSE OUTLINE

GRADING:
4 Unit Tests: 60%
Final Exam: 20%
Homework: 20%

COURSE OUTLINE:
Unit 1: Chapters 0 – 7
Unit 2: Chapters 8 – 12
Unit 3: Chapters 13 – 17
Unit 4: Chapters 18 – 23
Final Examination: Covers cumulative material from Unit 1 – Unit 4.

See your Instructor First Day Handout for individual instructor assignment schedule.
