Chipola baseball wins conference; headed to state

The Chipola Indians are Panhandle Conference Champions and headed to the FCSAA State Tournament set for May 3-7, at Joker Marchant Stadium in Lakeland. Chipola will play a yet-to-be-named opponent on Thursday, May 3, at 4 p.m. (EST).

Chipola captured the title with an 8-0 shutout of Tallahassee on April 19. The Indians were 14-4 in league play heading into the final two-game series with Pensacola. The Indians have several top pitchers heading in the state tournament including LJ Hollins with a 5-2 record and a 2.286 ERA. Austin Southall has a 6-3 record with a 2.495 ERA. Robby Coles has a 9-0 record with a 2.957 ERA.

Andrew Toles leads the Indians in hitting with a .367 batting average and is fourth in the state in stolen bases with a 29 steals in 36 attempts. Kaleb Barlow leads the team in RBI's with 45, placing him seventh on the state list. Sasha LaGarde leads

the Indians with an On Base Percentage of .464 making him 13th in the state.

Chipola is the defending state champion and finished fifth in the 2011 NJCAA National Tournament. It was the Indians' third trip to the national tourney in the last five years including a National Championship in 2007.

In 16 seasons at the helm, Coach Jeff Johnson has lead the Indians to the state tournament 12 times with seven appearances in the title game. Chipola won the state title in 2011, 2008 and 2007 and captured the school's first-ever national tourney in 2007. The Indians finished second in the state tournament in 2009, 2005, 2002 and 2001, third in 1998, and among the top four in 2006.

Chipola is ranked fourth in the FCSAA State Poll. Northwest is seventh and Gulf Coast is ninth. The top two teams in the conference earn a spot in the FCSAA State Tournament.

Chipola is led by, from left (top) pitcher LJ Hollins, pitcher Austin Southall, pitcher Robby Coles, hitting leader Kaleb Barlow, on-base leader Sasha LaGarde and Head Coach Jeff Johnson.

Chipola ranked in top 10 percent of U.S. community colleges

Highlighting the critical importance of improving student success in America's community colleges, the Aspen Institute College Excellence Program has named Chipola College as one of the nation's 120 top community colleges, challenging it to compete for the \$1 million fund for the 2013 Aspen Prize for Community College Excellence.

The Aspen Institute identified the 120 community colleges -- 10 percent of all institutions -- using a quantitative formula that assesses performance and improvement in four areas: graduation rates, degrees awarded, student retention rates, and equity in student outcomes. These colleges will now compete for the prestigious honor following a year-long research process into how well their students learn, complete degrees, and get jobs with competitive wages after graduating. A full list of the 120 community colleges is available at

www.AspenCCPrize.org. Prize winners will be announced in March 2013.

Some seven million students -- youth and adult learners -- enroll in America's nearly 1,200 public and private community colleges every year. "The success of our nation's community colleges is more important than ever before," said Aspen Institute College Excellence Program Executive Director Josh Wyner. "At a time when a college degree is essential to entering the middle class, community colleges like Chipola offer the most promising path to education and employment for literally millions of Americans. This competition spotlights excellence and we encourage Chipola to apply for the nation's top community college prize to help raise the bar for all community colleges to improve student achievement and better prepare the next generation for the job market after college." Chipola and 119 other community colleges

will be winnowed to eight-to-ten finalists in September based on how much students learn, how many complete their programs on time, and how well students do in the job market after graduating. The college is now eligible to submit an application containing detailed data on these criteria. It must demonstrate that it delivers exceptional student results, uses data to drive decisions, and continually improves over time.

The Aspen Institute will conduct site visits to each of the finalists in the fall. A distinguished Prize Jury co-chaired by John Engler, president of Business Roundtable, former Michigan Governor, and former president of the National Association of Manufacturers and Richard Riley, former South Carolina Governor and U.S. Secretary of Education, will select a grand prize winner and four runners-up, to be announced in March 2013.

Patrick Blake is new Chipola men's basketball coach

Patrick Blake was introduced as the new men's basketball coach during a press conference Monday, April 23.

Blake served as Assistant Coach at Chipola during the 2011 and 2012 seasons. The Indians finished second in the Panhandle Conference this season and lost to Central Florida in the first round of the state tournament. In 2011, Chipola finished second in the State Tournament.

Coach Blake said, "I'm excited about the opportunity to lead the men's basketball program. Chipola is one of the top programs in the country and I will work hard to make sure that our student-athletes represent the college at the highest level both on and off the court."

Before Chipola, Blake served as a graduate assistant under Coach Andy Kennedy at the University of Mississippi. Blake graduated from the University of Louisville with a Bachelor of Science in Business

Marketing. At Louisville, he was a student manager for Coach Rick Pitino for four years, serving as head manager for the last two. The Cardinals had great success during Blake's four years with the program, winning the Conference USA title outright his freshman year and ending the season with a trip to the NCAA Final Four. The next three seasons would end with a run to his first NIT Final Four, a second round appearance and an Elite Eight Appearance in the NCAA Tournament.

Blake is a native of Evansville, Indiana, where his parents, Mike and Jenny

Blake, still live today. He replaces Jake Headrick who has accepted an assistant coaching position at Samford University in Birmingham. In three seasons, Headrick

finished second in the State Tournament in 2011 and lost in the first round of the 2012 State Tournament.

Coach Blake is the third straight assistant to be promoted to the head coaching job following Jake Headrick and Greg Heiar.
