Chipola Brain Bowl is best in state and nation

The Chipola College Brain Bowl team won Florida College System Activities Association Brain Bowl State Tournament on March 24 and finished as the top two-year college in Chicago at the National Academic Quiz Tournament (NAQT) Four-Year College Tournament on March 31.

For the second year in a row, Chipola placed ninth overall in the 32-team NAQT field of the best teams in the USA and Canada.

Chipola Brain Bowl Team members who played in the national tournament are: Travis Bontrager, Paul Kelson, Annemarie Nichols and Caroline Peacock. They are coached by mathematics professor Stan Young and volunteer, Dr. Robert Dunkle.

Chipola also recorded the second highest finish by a two-year college in tournament history. Chipola was one of only six two-year colleges in the nation to qualify for the tournament and did so by going undefeated in the two-year college national tournament in February to win its second consecutive two-year college national championship.

Chipola's 11-2 record, the second highest percentage record in the four-year college tournament behind Harvard, included impressive wins over teams from Carnegie Mellon, University of Chicago, Notre Dame, Maryland, Minnesota, and Toronto. Chipola's only two losses in the tournament were to Harvard, the eventual champion, and Delaware.

Chipola's Paul Kelson was the top scorer among all players in the 32-team field. He answered 131 tossups, with 52 powers. Powers are awarded when a player answers a question early to earn 15 points instead of the 10 points normally awarded for a correct answer. Kelson averaged 81.48 points per game, the highest average among both all Division I teams (including graduate students) and Division II teams (only undergraduate students).

Kelson is a freshman and will be eligible, should the Chipola team qualify next year, to play in both the two-year and four-year college national tournaments. Link to NAQT statistics are available

Chipola spring music concert is April 17

Chipola College's Spring Ensemble Concert is set for Tuesday, April 17, at 7 p.m., in the Chipola Arts Center. Doors open at 6:30 p.m.

The free concert will feature the college's Chamber Singers, classical guitar students, and Jazz Band. The audience will enjoy Swing, Latin, Funk styles, Cha-Cha and madrigal selections.

forward to a new era of arts for our community."

The jazz band under the leadership of Dr. Randall Haynes and the chamber chorus under the leadership of Leslie Heffner will deliver an exciting eclectic program, featuring many students that will give their last performance on Chipola's stage.

Since her Chipola debut last semester, Heffner has delivered jaw-dropping results and these students are sure to deliver again this semester. From jazz vocalists to pop and swing charts, Dr. Haynes will feature his stunning group in another show-stopping performance.
