## Students attend health careers camp at Chipola

Fourteen students from Jackson, Washington, and Calhoun County schools attended the Big Bend AHEC Health Careers Summer Camp at Chipola College, July 19–24.

The students participated in an 8 hour ACT review and learned about financial planning and the college admissions process.

Students toured health care facilities and colleges in Marianna and Tallahassee, and learned about a variety of health careers through dissection activities and visits to the Chipola Health Science Simulation lab. Students also spent a full day shadowing a health care professional.

The students studied tobacco prevention strategies under the camp motto, “Follow Your Dream.”
