Here Evelyn Ward accepts the Chipola College Career Employee of the Year award from Chipola president Dr. Gene Prough.

Ward is Chipola’s Career Employee of the Year

Evelyn Ward, Chipola College’s Director of Fine and Performing Arts, has been named the college’s Career Employee of the Year for 2013.

Ward served for 17 years as Publications Coordinator for the college prior to her move to Fine Arts in July.

Ward has been very active in the Association of Florida Colleges serving as state president in 2011. She was awarded the Honorary Life Membership Award, the highest honor the Association bestows. The award recognizes significant, long-term contribution to AFC and the state college system. Ward also was acknowledged by the Chipola Chapter as their Un-sung Hero for her service behind the scenes.

Ward was a member of the first class earning the new AFC Certified College Professional certification. The leadership program which began in February 2012 provides AFC members the opportunity to earn a designation related to their work as a college professional, and exposes them to content and leadership experiences they may not be able to obtain elsewhere.

For her publication design work, Ward has won numerous Exemplary Practice Awards from AFC’s Communications and Marketing Commission. This year, she won a First Place Award for Specialty Advertising/Promotion Items for the Center for the Arts Grand Opening bookmark souvenir and Best Bang for the Buck Award for the 2011 Chipola Yearbook. She also won a Second Place award for the redesign of the Chipola Workforce Development brochure.

Her former supervisor Dr. Bryan Craven, Director of Public Relations, says, “Evelyn is one of the most valuable employees on campus. She does an incredible amount of work to support all college programs and organizations. She has earned the respect of her colleagues and those at other colleges throughout the state.”

Ward and her husband Randy both graduated from Chipola. Their children, Andy and Kendyl, also are alumni of the college. The family is active in the First Baptist Church of Marianna. Ward also directs the handbell choir at the First United Methodist Church in Sneads.

The Employee of the Year award recognizes the exceptional work of Chipola’s career service employees. Candidates are nominated by fellow employees for exhibiting courtesy, motivation and professionalism. Annual winners receive a \$1,000 bonus, reserved parking for a year, a one-year membership in AFC, and a \$100 gift certificate from the college Book Store.

Repurposed Art *continued from page 1*

Sawyer studied Industrial Design at Auburn University and earned a BA in Environmental Studies from Maryville College in Tennessee. Sawyer operates a production/fabrication shop in Montgomery specializing in custom woodwork and the creative reuse of recycled materials.

In addition to other projects, Sawyer has created a shelter and various sculptures for EAT South’s downtown Montgomery urban farm. The project includes recycled barn tin for the roof, a structure designed to catch rainwater to water an orchard, and a partially timber-framed, partially traditionally-framed pergola.

Evelyn Ward, Chipola Director of Fine and Performing Arts, says, “This project is especially important in our quest for ‘green’ uses of resources. Many parts of a theatre set are often discarded. Ethan is showing our students a way to take what would have been waste and repurposing the materials into beautiful pieces of art to be enjoyed by all.” The exhibit will be on display through Oct. 31. The gallery is open weekdays, by appointment. Call 850-718-2277. Additional information about Sawyer’s work is available at www.forestfromatree.tumblr.com.
