

## Chipola hoopsters begin conference race

Both Chipola teams open the Panhandle Conference race Saturday, Jan. 9, when they host Gulf Coast in the Milton H. Johnson Health Center.

The women's game tips off at 5:30 p.m., followed by the men's game at 7:30 p.m.

The **Indians** are the defending conference and state champions ranked second in the FCCAA state poll behind top ranked Northwest Florida. Chipola is 15-1 on the year with their only misfire coming against Central Florida, a loss which the Indians avenged on Dec. 5. Gulf Coast enters the game (13-4) ranked fifth. TCC is third.

The Indians also are ranked fifth in the NJCAA National Poll. Northwest is tenth. TCC is number 22.

First year Chipola men's coach Jake Headrick is pleased to have a full roster after being shorthanded with injuries for most of the pre-season. "We are almost 100% healthy and at full strength for the first time this season. Depth and speed are the two biggest strengths of this team which is something we can really utilize in conference play," Headrick said.

When asked about the matchup with Gulf Coast, the coach said, "Our players are really excited to play their first conference game in front of a home crowd. For us it's about being ready to compete for 40 minutes, executing on offense and being able to defend and rebound. Gulf Coast will be the biggest team we have faced this year as far as their size down low. That will make the rebound battle extra important for us."

When asked about his outlook on the conference season, Headrick sees a tough league top to bottom. "All five teams prob-

ably feel like they have a great chance at making the tournament. Tallahassee is the favorite because of experience, but you never know in this league. With every team playing every other team three times anything can happen. It's a league where you have to steal some road games and protect your home court."

The Indians closed out 2009 with a 76-62 New Year's Eve win over Albany Tech. Lashay Page and Dexter Ellington each scored 16 points for the Indians. Marvin Fitzgerald had 12. Chipola outlasted USC-Salkehatchie (80-70) on Dec. 30. Sam Grooms had 18 points. The Indians beat Northwest Mississippi (95-68) on Dec. 29 and Georgia Perimeter (80-51) on Dec. 28.

The **Chipola Lady Indians** enter the Gulf Coast game as defending state champions. Chipola improved to 10-6 following an 88-78 win over Central Florida on Jan. 2.

Lady Indians head coach David Lane is encouraged by his team's progress during the pre-conference season. "We are starting to compete in practice on a more consistent basis," Lane said. "We

are very young and it's difficult to explain what Panhandle play is like without experiencing it. We will get a baptism by fire on Saturday and just need to be prepared to respond."

When asked what Chipola will need to do to win, Lane said, "We need to execute well on offense and defense. We don't have a large margin for error in any game, but against Gulf Coast the margin gets very small. We need to take care of the basketball, prevent a large number of offensive rebounds, and create some easy shots early to help with our confidence."

Lane respects the competition in the Panhandle Conference, saying, "With four teams ranked in the Top Ten nationally, our conference is once again among the toughest in the country. We will have to make sure we are focused and prepared for every practice

and every game. We want to be one of the three teams representing the conference in the State Tournament and in order to do so we must take advantage of every opportunity we have to win games."

Coach Lane thinks his Lady Indians are up to the test of conference play. "I don't see us blowing teams out, but this is a team that can play very smart and control tempo and pace so that we have a chance to win any game in the last 3 minutes," Lane said.

All five Panhandle women's teams are ranked in the FCCAA Top 10. Gulf Coast (14-0) is first. Pensacola (15-1) is second. Northwest Florida (13-0) is third and TCC (12-2) is fourth. Chipola (10-6) is eighth.

Both Chipola teams head to Pensacola Jan. 13, before returning home to host Northwest on Saturday, Jan. 16.

## Chipola to hold auditions for **Bye Bye Birdie**

Chipola Theatre will hold auditions for the hit musical "Bye Bye Birdie," Jan 11 and 12 at 6 p.m.

The show will be directed by Charles Sirmon with choreography by Chris Manasco. Performance dates are March 10-14.

Audition age is 16 and up. No preparation is needed. Those who audition will be taught a vocal number and choreography piece. Some will be asked to read for character parts.

Bye Bye Birdie is the exuberant rock 'n roll smash hit featuring the familiar tunes "A Lot of Livin' to Do," "Kids," and "Put on a Happy Face."

The satire centers on an Elvis-type rock superstar (Conrad Birdie) who is drafted into the army. His agent (Albert Peterson) and Albert's secretary and love interest (Rosie Alvarez) plan a farewell performance for Birdie on the Ed Sullivan show, which they hope will sell his new song "One Last Kiss" and bring Albert's company out of debt. At the conclusion of the performance, Birdie will give a real kiss to a lucky girl chosen from his fan club.

The lucky girl is Kim MacAfee from Sweet Apple, Ohio. Albert and Rosie come to Sweet Apple to prepare for Birdie's arrival and things begin to unravel. Kim's new steady (Hugo Peabody) gets jealous of the thought of Kim kissing Birdie on national TV.

Things continue to come undone as Birdie's charms enrage

Hugo to punch him out on national television. Later, Birdie confesses that he is tired of show business and goes out on the town with the kids to show them how to party which leads to his arrest. Meanwhile, Rosie is getting tired of waiting for Albert to propose. She is also tired of Albert's domineering mother (Mae Peterson) who is constantly interfering in their relationship. Rosie goes out on the town and stumbles into a Shriners' meeting, leading to a humorous ballet sequence.

The show ends with Albert bailing Birdie out of jail prompting Birdie to ask Albert to be his agent forever as he gets on the train to New York and his induction into the army. In the end, Hugo proposes to Kim and Albert finally proposes to Rosie to tie up the remaining romantic knot before the show's finale.

## Chipola enhances computer program with broadband

The Chipola College Division of Workforce Development has received a grant through the Chipola Regional Workforce Board to enhance the Associate in Science Degree Program in Networking Services Technology to include several industry certifications.

The program and curriculum is designed to afford the student opportunities to earn both A+ and Network + certifications along with resulting employment in the computer industry. These certifications will let employers know that the student has the skills required to setup and repair personal computers, laptops as well as maintain computer networks. Ultimately, the program will include Cisco certification.

The instructional program takes two years to complete and will impart the skills necessary for entering the information technology field fully loaded and competent. Secondary students can earn up to 12 credits while still attending high school through dual enrollment in the program.

Students will experience technical training to include but not limited to a broad overview of broadband technologies, hands-on training in cable fabrication, hardware component installation and configuration where applicable. New equipment, materials, supplies and instructional support will enhance the training process.

“This is a tremendous opportunity for students to embark on a challenging and rewarding career in our technologically advanced

age” stated Bud Riviere, Chipola’s Workforce Dean. Classes begin January 7, 2010.

For more information, contact instructor Dean Giles at 850-718-2392 or Bud Riviere’s office at 850-718-2268.
