Chipola opens home conference season on Jan. 10

Chipola hosts Northwest Florida, Tuesday, Jan. 10, in the Milton H. Johnson Health Center. The women's game tips off at 5:30 p.m., followed by the men's game at 7:30 p.m. Chipola opens league play at Tallahassee on Saturday, Jan. 7.

Chipola's men (15-1) are ranked second in the FCSAA poll. The Lady Indians (12-4) are ranked fourth. Both Northwest teams are undefeated and ranked first in the men's and women's polls.

The Indians improved to 16-1 with a 77-65 win over USC-Salkehatchie at the Gulf Coast Classic in Panama City in the final pre-conference game of the season.

Aishon White led the Indians with 18 points on five 3-pointers. Joseph Uchebo added 15 points, with Kruize Pinkins scoring 13, and Jerel Scott 12. The Indians led 35-28 at the half, but pushed the lead out to 21 in the final period.

Indians coach Jake Headrick said, "Any coach in the country would take a 16-1 record. I told the guys that they've done a great job through the first 17 games of playing together, being unselfish, and playing as a team. But come conference time it will be about playing to win every possession. We have to understand how hard it's going to be to get in that top two (in the conference standings) to go to the state tournament."

The fourth-ranked Lady Indians finished the pre-conference schedule with a 70-54 win over Daytona State on Jan. 2 to improve to 14-4 on the season. Chipola jumped out to a 16-2 lead, but Daytona fought back to take a 30-29 halftime lead. Daytona maintained a 45-40 edge midway through the second half, but Chipola responded with an 8-2 spurt to go up by one and then stretched the lead out from there. Lady Indians coach David Lane said, "It was a good win to get going in the right direction. We played really well for the first 10 minutes, and then we were just horrible for the next 20 minutes. We started playing better with about 10 minutes left in the second half. We played much better defense." Sara Djassi had 15 points to lead Chipola. Jelleah Sidney also added 13 points for Chipola, and Jeniece Johnson had eight.

The coach said the turnover problem is one his team will need to solve quickly if it's going to compete for a conference title. "I think the physical and mental mistakes that we're making are correctable. You just hope that the light clicks with some of these bad passes we're making. If we can limit our turnovers, we'll be really tough to play because we're guarding well and we're getting good looks offensively and we've got some kids who can score."
