Computer Systems scholarships

Scholarships in the Computer Systems program which includes several industry certifications are available to qualified students for Summer I.

These scholarships cover the entire cost of the six weeks term, including books.

The program and curriculum is designed to afford the student opportunities to earn both A+ and Network+ certifications along with resulting employment in the computer industry. These certifications will let employers know that the student has the skills required to set up and repair personal computers, laptops as well as maintain computer networks.

Students will experience technical training to include a broad overview of broadband technologies, hands-on training in cable fabrication, hardware component installation and configuration.

“This is a tremendous opportunity for students to embark on a challenging and rewarding career in our technologically advanced age” stated Bud Riviere, Chipola’s Workforce Dean.

For information, call Dean Giles at 718-2392 or 718-2268.

Chipola plays Friday in state softball tourney

The Chipola Lady Indians will play South Florida, Friday, April 30, at 2 p.m., (EST) in the Gulf District Bracket of the **2010 FCCAA/NJCAA Softball Tournament**. Win or lose, Chipola will play again Friday at 7 p.m. (EST).

Tournament games continue Saturday, May 1, with the championship set for Sunday, May 2. Other teams in the Gulf bracket include: St. Petersburg, Tallahassee, State College of Florida, Gulf Coast, Northwest Florida and Polk.

The double-elimination tournament continues May 7-10, with the championship game set for Monday, May 10, at 10 a.m. (EST)

The Indians finished second in the Panhandle Conference race to Gulf Coast. Chipola is ranked seventh in the FCCAA Poll.

“It was a big win for us to be able to clinch a spot in the state tournament,” Chipola coach Jeff Johnson. “We just need to continue to improve and keep getting better every day.”
