Chipola's Phi Theta Kappa wins 'National Championship'

The Chipola chapter of Phi Theta Kappa won the academic equivalent of a national championship when it was named Most Distinguished Chapter among all 1,200 chapters at the 85th International Phi Theta Kappa Convention in Anaheim, California.

Chipola's Nu Chi Chapter also earned top awards in the Phi Theta Kappa Hallmark categories of Fellowship, Scholarship, Leadership and Service. Hallmark awards are presented to only 10 schools in each of the four categories. Chipola was one of only two colleges to earn awards in all four Hallmarks. The Chipola group also won an educational software package valued at \$35,000 from The Right Education Internet, an online benefits partner.

"Being recognized as the Most Distinguished Chapter was a moment that I will never forget," says CJC Membership Officer Ryan Waters. "We were all honored to be one of the chapters recognized for making a difference in our area. I can only hope that Chipola's recognition will inspire other Phi Theta Kappa chapters from small schools to work hard to impact the lives of others. The

best part of the whole experience was having the opportunity to share the moment with a wonderful group of people whom I love and admire."

Chapter members created and implemented a number of important service projects over the past year. An extensive scholarship project, the Nu Chi Comprehensive Health and Wellness Project, provided information to the community and promoted awareness

about a different health issue and related type of cancer each month of the year.

Through their service project, "A Day in the Life", the chapter challenged individuals on their campus, in their community and throughout the region to donate a

minimum of 24 hours of service to health issues of their choice. In addition, chapter members organized a Gold Ribbon Campaign to benefit the research and treatment of childhood cancers and worked to develop the local Locks of Love program.

To promote Leadership, the chapter invited over 500 area high school sophomores and juniors to attend their 2002 Phi Theta Kappa Leaders of Promise Conference. The event encouraged students to identify and develop leadership qualities through activities facilitated by Nu Chi members.

Scholarly fellowship was a way of life for the Nu Chi chapter this year. The members reached out to their campus by inviting other campus organizations to co-sponsor scholarship and service activities. They also developed the Chipola Regional Honor Society Coalition, which enabled them to share their service projects with high school students throughout the community.

In all, CJC brought home five major chapter awards and several individual honors. CJC sophomore Laura Davis won an outstanding chapter officer award for her work as Public Relations Officer.

Chipola players go D-1

Three Lady Indians have signed basketball scholarships with Division 1 colleges. LaNita Carter signed with Southwest Texas State. Rebecca Montz will play at Jacksonville University. Amber Bryant is moving on to High Point University in North Carolina.

Montz led Chipola's offense with 15.3 points per game. She was 83 percent from the free throw line and among the top three-point shooters in the state.

Chipola Pool to open April 21

The CJC Pool opens April 21 with a variety of aquatic activities on tap.

Pool hours are Monday through Friday, 11 a.m. to 5 p.m. Summer hours will begin May 14 extending the leisure hours to include Saturday 10 a.m. to 6 p.m. and Sunday 1 p.m. to 6 p.m. The pool is also available for party rentals and lap swimming.

Swim Team passes are \$90 for parents and one child, \$120 for parents and two children and \$10 for each additional child above two.

An American Red Cross Lifeguard Course will be scheduled later this month.

Chipola sophomore Chrissie Prichard was named to the All USA Academic First Team that places her in the top 20 students among the more than 11 million community college students. Prichard, who was featured in an article in the April 7 edition of *USA Today*, is the fourth CJC student in the last five years to be named to the *USA Today* Community College All-Academic Team. She also was named a Guistwhite Scholar, the most prestigious academic award presented by PTK. Additionally, she was tapped as a New Century Scholar, as the top student from Florida in the All-USA Academic program. She earned the PTK Leaders of Promise scholarship as a freshman, making her the first student ever to earn all four major PTK scholarships.

Chipola faculty adviser Jody Spooner said, "I'm so proud of our students for this monumental accomplishment. This recognition teaches them that if they pool their

Montz and Carter also were named to the All Panhandle Conference team and to the Women's All Tournament team.

Chipola head coach Jason Keene "I'm very proud of these three players. I think they made very good choices. They can all go in and play and contribute at their respective schools."

The class requires 10 participants. Swimming lessons for all ability levels will be offered for ages two and up. Lessons are based on a combination of nationally recognized methods. Students will be evaluated and placed in a level during the first class. Each session includes eight 45-minute lessons. resources and work as a team, they can accomplish anything."

Spooner stressed that the recognition is a clear reflection on the hard work of the Chipola faculty and staff. "I believe that Chipola is respected as a place that nurtures students and challenges them to achieve," said Spooner.

Established in 1918, PTK is the largest honor society in American higher education with more than 1.5 million members and 1,200 chapters located in 50 United States, U.S. territories, Canada, Germany, and Japan.

Phi Theta Kappa's purpose is to recognize and encourage scholarship among two-year college students. The organization provides opportunities for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.

The Lady Indians made it to the second round of the state JUCO tournament this season to finish with a 19-14 record.

"I think we're providing a good program to help our players move on to the next level said Keene. "In three years, we've had eight players sign with Division 1 schools and three more sign at D-2 colleges. Chipola also continues to lead the state in graduating athletes."
