Chipola baseball team wins Panhandle Conference

The Indians captured the 2002 Panhandle conference championship on April 14, with a 10-2 win over Gulf Coast. Chipola combined for 18 hits on the day, led by Victor Alvarez, who was 4 for 5. Blake Balkcom had a solo homerun. Ricardo Nanita had a pair of doubles.

Tony Mandel started on the mound and went 6 innings. Troy Fry entered the game in the seventh. Les Hassen came in, Kellen Ludwig finished in the ninth.

CJC head coach Jeff Johnson says, "We're very proud of our guys for winning the conference this year and last year also. My assistants have done a great job and our players have done an outstanding job. One of our goals was to win the conference. And we've got a few more goals ahead of us this season."

Chipola will play the Mid-Florida Runner Up on May 5 at 6 p.m. in the state tournament, in Melbourne, in the Marlins spring training facility.

Chipola beat Okaloosa-Walton for the second time in as many days with a 5-3 win over the Raiders on April 17.

Blake Balkcom singled with one out and stole second with the score tied 3-3 in the ninth. Randy Roth blasted a two-run homer on a 1-2 pitch to give Chipola the 5-

3 win. Pitcher Troy Fry (7-1) picked up his second win over OW this week.

The Indians also whipped the Raiders 16-8 April 16 in Niceville. Ivan Nacaratta hit a two-run homer in the first to get the Indians off to a strong start. He finished 4 for 6 on the day. Last year, Nacaratta hit a two-run homer to beat OW and give CJC the 2001 Conference Championship. Blake Balkcom hit his 17th homerun of the year. Joey Wilson also had a solo homer.

Winning pitcher was Troy Fry who relieved Johnny Lynch. Chad Coffee, Adam Dunavant and Kellen Ludwig also saw action on the mound.

The Indians were scheduled to host Pensacola on April 18 at 5 p.m. to complete a suspended game in which CJC was trailing 2-0 in the bottom of the third.

As of April 18, PJC and TCC were tied for second in the league at 11-8.

Chipola is ranked first in the state at 35-8 and 14-3 in the conference. Last season, the Indians finished second in the state tournament, with a 43-16 record and a Panhandle Conference Championship. Head coach Jeff Johnson has led the Indians to state four times in six seasons at the helm of the CJC program.

Don Moore from Florida A & M University will be in Building D from 9 a.m. until noon on April 23.

Panhandle Champs, continued from page 1

Several Chipola players are among the top performers in the state. Ricardo Nanita is sixth on the state hitting list with a .425 batting average, including 15 homeruns and 52 RBI's. Blake Balckom is tenth in the state with a .394 average, including 15 homeruns.

CJC pitchers Kyle Pawelczyk and Troy Fry are 19 and 20 respectively on the state ERA list. Kellen Ludwig has four saves on the year.

Five Indians have committed to four-year colleges for next season: Blake Balkcom-Florida State University; Russell Martin-North Carolina State University; Kyle Pawelczyk-Louisiana State University; Johnny Lynch-University of South Alabama; and Ricardo Nanita-Florida International University.

For information, call the CJC hotline at 718-22CJC.

Roy B. Beall Scholarship Endowment wins state award

The family of the late Roy B. Beall attended the Council for Resource Development (CRD) Region IV Annual Conference in Orlando April 10-13 to accept Florida's Benefactor Award in recognition of the Roy B. Beall Scholarship Endowment offered through the CJC Foundation.

CJC executive vice president, Dr. Gene Prough says, "During his lifetime, Beall exemplified all of the traits of an outstanding benefactor. He gave not only his financial support to Chipola, but he also was a steadfast leader and long-time volunteer on behalf of the college."

During 1946 and 1947, a group of business leaders met to discuss the possibility of opening a private college for students in the area. In the summer of 1947, Chipola Junior College opened its doors on the campus of the old Marianna Army Base. Beall was one of the founders and also served as Chairman of the Chipola Board of Directors from 1946 to 1963, member of the Chipola Advisory Board from 1963 to 1968 and member of the Chipola Board of Trustees from 1968 to 1969. During his 23 years of continuous service to Chipola, he never missed a single meeting of any board or agency on which he served. His early leadership at Chipola was instrumental in developing the college into the successful institution it is today from its humble beginnings as a small private college with barely enough funds to exist.

In 1983, Beall approached Chipola officials about sponsoring a scholarship drive that would support the top two academic students and top academic athlete from each of Jackson County's six high schools. His idea was to award each with a one-year scholarship to begin their pursuit of higher education. He raised the money single-handedly and expanded the program the next year to include all five of the counties within the college's district. This initial fundraising effort has grown into a scholarship endowment bearing his name with an account balance of over \$122,000.

CJC president Dr. Dale O'Daniel, says, "Mr. Roy's contributions and service to Chipola cannot fully be measured. Chipola was very fortunate to call him a friend and benefactor."

The purpose of the CRD Benefactor Award is to thank and provide recognition to individuals, foundations or businesses for outstanding contributions to community colleges. The CRD Benefactor Award embodies the ideals of philanthropy, leadership and volunteerism in the service of community, technical and junior colleges. The Roy B. Beall Scholarship Endowment is now in the running for a national resource development award.

For information on the Roy B. Beall Scholarship Endowment, or any other scholarships offered through the Chipola Foundation, contact Foundation Director Julie Fuqua at (850) 718-2478.

Scholarship information available in Student Services

Crisp chosen for National Science Foundation Internship

CJC student Stephanie Crisp of Graceville was recently chosen for an internship with the National Science Foundation in Washington, D.C.

The eight-week program, sponsored by Phi Theta Kappa, allows students nominated for the All-USA academic team to apply for two coveted internships awarded by the NSF. Crisp was one of two students selected from the 1,600 students who were eligible to apply. Crisp was a member of the All-USA Academic Second Team which places her in the top 40 students in a pool of over 10 million community college students.

The NSF aims to promote and advance scientific progress in the United States by funding research and education in science, mathematics, engineering and technology (SMET). NSF interns work under the guidance of a senior agency scientist or mathematician in the Division of Undergraduate Education at George Washington University. Crisp will work with NSF staff with the goal of improving SMET education in two-year colleges. Her work may include setting up conferences and re-

view panels, planning newsletters and other publications, assisting in evaluation of projects, and compiling information about two-year college projects. In addition to this valuable experience, Crisp also will receive a stipend of \$2,500.

"I'm extremely honored to have been selected for such an excellent program. I look forward to sharing my ideas for improving community college science and technology programs," Crisp said.

Crisp is a Microbiology and Cell Science major with a 3.91 GPA who plans to transfer to the University of Florida to pursue a career in dentistry. She was valedictorian of Graceville High in 2000. She has been named to the National Dean's List and Who's Who Among Students in American Junior Colleges.

Crisp also is a member of the CJC Honors program, Rock and Jazz Ensemble, an SGA senator, secretary of Student Ambassadors and the Phi Theta Kappa public relations officer.

Crisp is the daughter of Benjie and Stephen Crisp of Graceville.

Chipola graduation ceremony to include food/book drive

The graduation ceremony for Chipola's Class of 2002 is scheduled for Thursday, May 2 at 7 p.m. in the Milton Johnson Health Center.

Some 250 students have completed the requirements for degrees or certificates signifying the completion of programs of study at the college. They will join the ranks of approximately 9,000 other graduates of Chipola. Parents, relatives and friends are invited to a reception immediately following the ceremony.

The Chipola chapter of Phi Theta Kappa invites graduating students and their guests to bring a non-perishable food item or children's book to the college's graduation ceremony. PTK is participating in the "Feed a Body, Feed a Mind" initiative designed to help alleviate hunger and illiteracy. PTK members will be collecting the items outside the center from 6 to 7 p.m. The books and canned goods will be donated to needy citizens in the five-county Chipola District. For information, call 718-2305.

FSU NURSING MEETS

An information meeting for prospective and current Florida State University nursing students is set for April 23 in room L400 from 5:30 to 7 p.m.

FSU offers an RN to BSN program through the University Center @ Chipola. The program allows current RNs to earn a bachelor's degree in nursing while continuing to work as an RN.

For information, call 718-2276.

SPECIAL THANKS

Dear Chipola family:

Thank you for the many expressions of sympathy you have shared with us during the loss of my father and mother. Simple words cannot express our sincere appreciation for the many floral tributes and memorial donations. The countless visits and cards have been a true inspiration to us. We are humbled by the love and support our Chipola family has bestowed upon us. Please keep us in your prayers.

Things You Might Not Have Known

In 1986 Danny Heep became the first player in a World Series to be a designated hitter (DH) with the initials "D.H."
