Chipola late registration runs through August 28

Late registration for Fall classes at Chipola College runs through noon on Thursday, Aug. 28.

Chipola's open-door policy guarantees acceptance to any student with a standard high school diploma. Students may register through the final hour of late registration; however, tuition and fees are due on the day of registration. Students who have not applied for financial aid must pay out of pocket for tuition. After applying for financial aid, those who qualify will be reimbursed usually within six to eight weeks. Prospective students should complete a college application which is available in the Office of Admissions and Records, or online

at www.chipola.edu. Students also must provide an official high school or college transcript.

Chipola offers day and evening courses, as well as independent study and online courses in more than 40 individual programs, including BS, AA, AS, AAS, Workforce Certificates and Continuing Education.

Chipola College is offering a new Four-Day-Plus-One schedule this Fall. The majority of courses are scheduled to meet Monday through Thursday. This decision was made to help students meet the challenges of increased travel costs by avoiding the need to travel to campus every day

In addition to the four-day

schedule, the college will offer more than a dozen Friday-only classes which meet once a week. Friday courses include: Purpose of Art (ARH 1000), 1 to 4 p.m.; Introduction to Spreadsheet (CGS 1510) 10 to 11:40 a.m.; General Chemistry (CHM 1045) 8 to 11 a.m.; Chemistry Lab (CHM 1045L) Noon to 3:30 p.m.; Communication Skills I (ENC 1101) 1 to 5 p.m.; Earth Science (ESC 1000) 8 to 11 a.m.; Humanities (HUM 2216) 8 a.m. to noon; College Algebra (MAC 1105) 11 a.m. to 2 p.m.; Tennis (PEL 1341) 3 to 3:50 p.m.; Jogging (PEM 1146) 7 to 7:50 a.m.; American Federal Government (POS 2041) 8 a.m. to 11 a.m.; State and Local Government

Living Waters Exhibit coming to Chipola College

"Living Waters: Aquatic Preserves of Florida," a multi-media experience of film and photographs will be on display beginning Sept. 8 in the Chipola College Arts Center.

The public is invited to the premier opening of the exhibit, Thursday, Sept. 11, from 6 to 9 p.m. (CST). The free evening of art, film, music and refreshments, will include discussions and demonstrations by the artists.

The exhibit features photography, film and music inspired by the Florida's natural waterways, including a collection of 29 fine art photographic images by Clyde Butcher, renowned Florida Everglades photographer, and a screening of the PBS film "Living Waters: Aquatic Preserves of Florida," by documentary film maker Elam Stoltzfus.

For more than a decade, Stoltzfus and his Live Oak Production Group, have captured rare images of natural Florida, with Living Waters winning a coveted Crystal Reel award for excellence. The film showcases a dozen of the state's 41 aquatic preserves, highlighting their natural and cultural significance.

Michael S. Sole, Secretary of the Florida Department of Environmental Protection, says, "Florida is known throughout the world for its lush, watery landscapes. *Living Waters* emphasizes the more than two million acres of diverse water landscape and coastal areas that are critical to Florida's future. This award-winning film and exhibit encourage us to be better environmental citizens and gives viewers an intimate look at the unique aquatic preserves of Florida."

Sammy Tedder, a Florida Panhandle music legend, scored the film, weaving sounds of natural instruments he fashioned from

swamp reeds for flutes and cypress logs for percussion. Tedder also will perform at the premier.

The traveling museum exhibit is managed by the Office of Coastal and Aquatic Managed Areas, Florida Department of Environmental Protection.

The exhibit will travel from the GTM Reserve Environmental Education Center in Ponte Verde Beach, FL to Chipola and throughout the South.

The Department of Environmental Protection, National Oceanographic and Atmospheric Administration, The Ocean Conservancy and The Gulf of Mexico Foundation supported the film's production.

The Artists Guild of Northwest Florida, Inc. and the Fine and Performing Arts Department of Chipola College have joined together to bring this exhibit to the Chipola Arts Center. The exhibit is open weekdays from 8 a.m. to 3 p.m. School and civic group visits are encouraged.

Chipola College Theatre will hold open auditions for “Bus Stop,” Sept. 9 and 10, at 6 p.m.

“Bus Stop” is set in a howling snowstorm with a busload of weary travelers holed up at a roadside diner. A nightclub singer named Cherie (played by Marilyn Monroe in the movie adaptation) has been kidnapped by a young cowboy who is ready to sling her over his shoulder and carry her, kicking and screaming, down the aisle. As a counterpoint to the romance, the cafe owner and the bus driver at last find time to develop a friendship of their own; a middle age scholar comes to terms with himself; and a young waitress also gets her first taste of romance. “Bus Stop,” runs Nov. 6-9 in the Chipola Theatre.

Chipola will present the hit musical, “Back to the 80’s,” March 18-22, 2009. Auditions are set for Jan. 12 and 13. From the era that brought the world The Rubik’s Cube, Max Headroom and The Teenage Mutant Ninja Turtles comes this “totally awesome” musical. Join the graduating class of William Ocean High School as they live through their final senior year - as they experience the fun, the heartbreak, the loves and the loneliness of growing up ... all set to the biggest hits of the 80’s!

The children’s show “Beanie and the Bamboozling Book Machine,” is set for May 14, 2009. Auditions are March 23. Beanie, a science wiz who is not keen on reading, has designed a book reading machine for the science fair. Part computer, part video camera, Beanie’s contraption enables it to read three books at once.
