CJC Board elects chair and approves employee raises

Jeff Crawford of Marianna was elected chairman of the Chipola Junior College District Board of Trustees at the board's regular meeting on July 18.

Crawford is a retired farmer, and executive director of the Florida Peanut Producers Association. Jennie Goodman of Bonifay will serve as vice chair for the next year. Outgoing chair Gary Clark of Chipley was presented a plaque for his service during the previous year.

In other business trustees approved a two-percent raise and a non-recurring \$500 lump sum payment for the college's career and administrative employees. The total raise will range from three-percent to as much as seven-percent for some employees. In the same action, the board voted to make the \$500 payment a permanent salary increase next year if funds are available. The college will continue to pay health insurance premiums for employees which is expected to increase as much as 20 to 25 percent in the coming year.

CJC president Dr. Dale O'Daniel says, "We are pleased to be able to improve the compensation of our employees. The people who work with and for our students are Chipola's most important resource."

CJC employees received a four-percent raise and \$400 non-recurring lump sum payment last year and six-percent in 1999-

00. The Chipola Faculty Association is currently negotiating the faculty's annual contract.

In other business trustees approved a two-year contract and a three-percent raise for the college president. O'Daniel became president in May of 1995, and has been awarded several rolling multi-year contracts. He says, "I appreciate the opportunity to serve as president of Chipola and

I look forward to more great things in the future of this great institution."

During O'Daniel's tenure the college has undergone a

multi-million dollar technology upgrade which has placed hundreds of networked computers on the desks of students and employees. The president also has led the college in campus-wide building projects, including the construction of a Public Service Building, Literature/Language Building, natural science laboratory and health science laboratory, as well as major renovations of the cafeteria and continuing education conference center. Construction currently is underway for a new baseball/softball sports complex. A new Health Science facility is in the planning stages as well as renovations to the library, former English building and residence hall.

Happy Birthday CJC Family

July 29 Brenda Jordan

REGISTER MONDAY

Current Chipola Junior College students may register for the Fall semester July 23-26. Current students are those who were enrolled in Spring 2001, Summer I or Summer II.

New student application deadline for Fall classes is Aug. 9. Returning student registration and new student testing is Aug. 16. Regular Fall registration is Aug. 17 and 20, with classes beginning Aug. 21.

For information, call the CJC Registration Office at 718-2211.

KEEP CJC BEAUTIFUL

Do your best to keep Chipola beautiful by using trash cans and butt urns.

Studies have shown that people are less likely to litter if there is less litter.

Bruner wins Coca-Cola scholarship

Andrea Bruner, a 2001 graduate of Chipola Junior College, was one of 50 students in America chosen to receive a \$2,000 scholarship from the Coca-Cola Two-Year Scholarship Program.

Presidents of two-year colleges across the country nominated two students from their school who demonstrated academic success and completed 100 hours of community service in the past year.

Bruner had a distinguished career at Chipola. She was named to the 2001 First Team All-Florida Academic Team, and was selected as a Centennial Scholar—the highest-scoring student from Florida in the All-USA Academic competition. She served as president of the Chipola chapter of Phi Theta Kappa that won three national honors at the 2001 national Phi Theta Kappa meeting. She was one of 25 presidents tapped for a Distinguished President Award from among 500 chapters. She also was active in Science Club, Mu Alpha Theta, and the CJC Honors Program.

In April, Bruner delivered the keynote address

at the 2001 All-Florida Academic Team awards ceremony in Tallahassee, and represented the state of Florida at the American Association of Community Colleges Meeting in Chicago. She was featured in the April 6 issue of *USA Today* along with 20 other top community college students.

The daughter of Sally and John Bruner of Chipley, she was a 1999 valedictorian of Chipley High School, a Florida Academic Scholar and a Florida Top Scholar. She will attend the University of Florida this fall to pursue a major in Microbiology. Her plans include medical school and a specialization in obstetrics.

The Coca-Cola Two-Year Scholars Program is made possible with funding from the Joseph B. Whitehead Foundation which provides grants in support of human services initiatives, particularly organizations and programs that benefit young people. Whitehead was one of the original bottlers of Coca-Cola.

Chipola offering freshman English online

The Chipola Junior College Arts and Letters Department is now offering Communications Skills I (ENC 1101) in an online format.

Students and instructor interact via internet, meeting only once every two weeks at the college. A chat room, a CD-ROM, and e-mail replace most of the instructor's classroom lectures and group discussions, and typed essays may be e-mailed to the instructor.

This web-based course allows students the opportunity to earn four credit hours in ENC 1101 without meeting in a classroom, four times per week for sixteen weeks. Dr. Laurie Culbreth, a CJC English instructor will teach the course. Online stu-

dents must possess computer/internet skills and should be able to manage effectively their academic, personal, and/or professional schedules.

Regular registration for the fall term is August 17-20. Persons interested in the course must register on the CJC campus before logging in and registering with the instructor.

Online students also must attend a distance-learning orientation meeting Aug. 23 at 5 p.m., in Building D-300.

For more information, contact Dr. Culbreth at 526-2761, Ext. 3298, or e-mail culbrethl@chipola.cc.fl.us

THIS WEEK

"Chipola This Week" is a weekly publication of the CJC PR Office.

Deadline for the next issue is noon, **Wednesday, July 25**. We will be printing an abbreviated version during the summer. Articles will be printed as space permits. Call ext. 2265, or e-mail Evelyn Ward.

**Things You Might Not Have Known**

An old law in Bellingham, Washington, made it illegal for a woman to take more than 3 steps backwards while dancing.
