Gifts must be received and deposited prior to Dec. 1 to qualify for the dollar for dollar match.

Chipola offers Ready to Work program

Colleen Englert, Executive Director of Florida Ready to Work, recently presented a program at Chipola on the Ready to Work Program.

The program was presented to the combined advisory committees for Workforce Development programs at Chipola College.

Englert discussed the Florida Ready to Work credential which includes a personalized certificate, signed by Governor Charlie Crist. To earn the credential, a student completing one of Chipola's programs must take three proctored assessments in applied math, reading for information and locating information.

These assessments test the skills required for more than 85 percent of all jobs today. The program also offers free online training to help jobseekers build their skills and an optional soft skills assessment that measures workplace attitude, behavior and customer service skills.

Chipola College is a Florida Ready to Work testing center. For more information, contact Becky Davis, Chipola's FRTW contact, at 850-718-2283.
