Cantus maintains a vigorous schedule of national tours, subscription concerts in its home of Minneapolis and Saint Paul, as well as educational outreach programs and recording. The *Washington Post* hails the ensemble's sound as having both "exalting finesse" and "expressive power," and refers to their music-making as "spontaneous grace." The ensemble is known for adventurous programming spanning many periods and genres, including chant, Renaissance music, contemporary works, art song, folk, spirituals, world music and pop.

Sarah Geller, violinist, will perform March 18, 2010. Geller is described as possessing "the simple, poised, confident stage presence of a seasoned performer," is highly regarded from coast to coast for captivating audiences with her intriguing programming. As a winner of the Artists' International Special Presentation Award, Geller made her Carnegie Hall solo recital debut in 2002 and in 2004 presented a recital on their Alumni Series at New York's

Merkin Concert Hall. Geller performs a wide variety of music from Latin American and flamenco treasures to traditional favorites and unknown gems of mainstream composers. She serves as artist-in-residence at Munson Williams Proctor Arts Institute and as guest artist at Georgetown University.

Chipola FACC and local groups collect boxes for soldiers

The Chipola College Chapter of the Florida Association of Community Colleges recently sponsored a collection drive for Operation Shoebox, which provides items for members of the U.S. Military serving in Iraq and Afghanistan.

The items were taken to the State FACC Convention in Orlando, where they were added to donations from Florida's 27 other community colleges and shipped overseas. The compilation of items filled a 40 foot trailer, with 28 additional boxes which were mailed.

Matt White, president of the Chipola FACC Chapter, said, "We have been overwhelmed by the response, not only from college employees, but also from community groups like the Marianna Middle School Jr. Beta Club, Jackson Hospital, Marianna High Technology Student Association, the Gideons, the Altrusa Club, and Dr. Ben Saunders' office.
