Chipola offering free tuition in new BS programs

Chipola College is offering free tuition to the first 20 qualified students admitted into either of the college's new Bachelor's degree programs which begin in January.

The college will offer B.S. degrees in Secondary Education with majors in Mathematics or Science. Students must apply for Federal, State, and Chipola Foundation financial aid in order to qualify for free tuition.

Graduates of the new program will meet certification requirements to teach either math or science in grades 6-12. Applicants must have an A.A. degree from a community college or at least 60 hours of college credit from an accredited college or university. Applicants also must pass all sections of CLAST and have a cumulative grade point average of 2.5 on a 4.0 scale in all college coursework. Three education prerequisite courses also are required in the program—EDF 1005, EDG 2701 and EME 2040.

Dr. Kitty Myers, who directs the new B.S. programs says, "Chipola's Secondary Education program is an exceptional value for students. In-state tuition for junior and senior level courses is \$75 per semester hour. Alabama and Georgia residents also qualify for in-state tuition with a \$1 per hour out of state fee."

"In addition to small classes, we have a full-time, experienced faculty who will provide individual attention to our students. Internships will be available with outstanding teachers in the district," said Myers.

Persons interested in a teaching career in middle or high school with a strong background in math or science, should contact the college as soon as possible to prepare for the Spring semester.

For information contact Dr. Kitty Myers, AVP of Instruction and Baccalaureate Programs at 850-718-2276, or Dr. Lou Cleveland, Director of Mathematics and Natural Science at 850-718-2416.

Chipola president Dr. Gene Prough, said, "Sam was one of Chipola's finest alumni. He did so much for the college and for the people of this area. We are proud that his family has established this scholarship that will help future students."

Tax-deductible gifts to the Sam Mitchell Scholarship Endowment may be mailed to the Chipola Foundation, 3094 Indian Circle, Marianna, FL 32446. Notifications of donations will be sent to the Mitchell family.
