new construction. The 24,000 square foot space is the home to the business office, enrollment services, admissions, registration, financial aid, counseling and advising, and testing. The building also houses information systems and the college switchboard.

The new building features a breath-taking central reception area that provides an unobstructed view of the various services available for students. There is also a large meeting room for student groups.

Tickets for Chipola's 'Grease' on sale Feb. 22

Tickets for the Chipola College production of "Grease" go on sale Wednesday, Feb. 22, at 8 a.m., in the college business office (Building A).

Tickets are \$7 for adults and \$5 for students. Chipola employees and students get one free ticket with ID. The musical opens a five-day run, March 8.

"Grease" tells the story of Rydell High's spirited class of '59. The gum-chewing, hub-cap stealing, hot-rod loving boys with D.A.'s and leather jackets and their wise-cracking girls in teased curls, bobby sox, and pedal pushers – capture the look and sounds of the 1950's in this rollicking musical that salutes the rock 'n' roll era. While hip Danny Zuko and wholesome Sandy Dumbrowski resolve the problems of their mutual attraction for each other, the gang sings and dances its way through such nostalgic scenes as the pajama party, the prom, the burger palace and the drive-in movie.
