## Molineux's works performed throughout 2005

The year 2005 turned out a number of performances of original composition by Dr. Allen Molineux, professor of music at Chipola College.

It started in January with the first movement of his "Sonata in Two Movements" for trumpet and piano being played in an arrangement of the accompaniment for band at Shepherd College in West Virginia.

In late March his "Enigmatic Episode" for bassoon and piano was premiered at the University of Florida as part of the College Music Society's regional meeting.

During the summer the Tower Brass Quintet played his "Encounter" in the Blossom Summer Music Festival held at Kent State University and then, in the late fall, they played it again as part of a series of concerts held at the Frank Lloyd Wright Unity Temple in Oak Park, Illinois.

## Ivey Brothers to return to Chipola for Honors Dance

or just reminisce with some great music until midnight.

Three brothers—Robert Ivey, Richard Ivey and Wilson Ivey—have made up the core of the group since the mid-60's. Wilson's son, Chase Ivey, joined the group in 2004.

The band first performed at a high school dance in 1965, and quickly progressed to college dances at Chipola, FSU, UWF and UF. Their ability to entertain with their versatile repertoire became well known in the Dothan club scene in the 70's and 80's. A European tour in 1977 and release of a local hit "It's Not Worth The Pain" in 1978 made the group's fame complete.

The Iveys have played with and

backed "The Pointer Sisters," "The Coasters," "Jeannie Pruitt," "Billy Crash Craddock," and "The Platters."

Drummer Robert Ivey is a Chipola history instructor who serves as adviser to the Freshman Honors program. According to math instructor Bonnie Smith, who directs the program with Ivey, "The goal of Honors is to equip our local leaders of tomorrow with awareness and understanding which will improve the lives of our citizens. This endowment will provide resources for the many annual projects of the Honors Program." Some 60 of the brightest students from the five-county area are enrolled in Chipola's Honors program.

Smith said the Honors program needs support from citizens who value academics. The advisers hope to bring thought-provoking speakers to campus and to take students to visit educational sites in other cities.

Dance tickets are \$10 and may be purchased from any Honors student or by phoning Smith or Ivey at 526-2761. Tax-deductible gifts for the Honors Endowment also may be mailed to the Chipola College Foundation noted for the Honors Program, 3094 Indian Circle, Marianna, FL 32446.

The Ivey Brothers band will return to Chipola College for the first time in over 30 years to play The Polar Bear Beach Party a benefit dance for the Chipola Honors Program set for Jan. 28.

The dance will be held in the college Arts Center—known to locals as the old field house—the same venue where the Iveys last played in 1968. Doors open at 8 p.m. and guests can dance the night away
