

Chipola Early Fall Registration begins July 17

Early Fall registration for current Chipola College students is July 17-19. Current students are those who have completed at least one semester hour and who were enrolled during the 2006 Spring or Summer terms.

Online registration for current students who have completed at least 12 hours also begins July 17 and continues through Aug. 3. To register online, visit www.chipola.edu, click Current Students, then click On-line Registration.

College officials recently added the online option to make it more convenient for students to register for classes. High school students in dual-enrollment courses, or students with less than 12 hours completed, are not eligible for online registration.

Application deadline is Aug. 3 for new students planning to enroll in Fall classes. All students with a high school diploma are eligible to enroll. Certain academic courses require minimum scores on college placement tests, ACT or SAT.

Chipola offers day and evening courses as well as online and independent study courses leading to the Associate in Arts Degree. The college also offers a number of Associate in Science programs and Workforce Certificate programs to prepare students for promising careers.

For registration information, contact the Admissions and Records Office at 718-2311.
