Current Chipola students may register online for Fall

Online registration for Fall classes at Chipola College is open now through Aug. 3 for current students who meet certain requirements.

To be eligible for online registration, students must have completed at least 12 semester hours and have an overall 2.0 GPA.

Online registration is not available for Dual Enrollment/Early Admission, State Employee Fee Waiver, or for students required to enroll in college preparatory classes.

To register online, visit www.chipola.edu, click Current Students, then click On-line Registration.

Application deadline is Aug. 3 for new students planning to enroll in Fall classes. All students with a high school diploma are eligible to enroll. Certain academic courses require minimum scores on college placement tests, ACT or SAT.

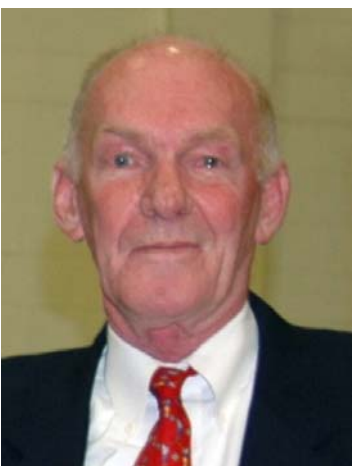

Chipola offers day and evening courses as well as online and independent study courses leading to the Associate in Arts Degree. The college also offers a number of Associate in Science programs and Workforce Certificate programs to prepare students for promising careers.

For registration information, contact the Admissions and Records Office at 718-2311.

Chipola All-American Red Robbins stricken with cancer

Chipola College officials recently learned this week that former ABA All-Star Austin “Red” Robbins has been diagnosed with colon cancer.

Robbins visited the Chipola campus in March for a ceremony during which his number 14 Chipola jersey was retired.

The 6’8 Robbins led the Indians to a state championship in 1964 and back-to-back appearances in the NJCAA National Tournament in 1963 and 1964. He was named to the JUCO All-American team in 1964.

Milton Johnson, who coached Robbins at Chipola, said, “Robbins is a very special person, and I know that many of Red’s friends would want to wish him well during this time.”

Robbins is arguably one of the best players to ever wear a Chipola jersey. His school scoring and rebounding records have stood for 40-plus years. He scored 1,361 points over two seasons at Chipola and averaged 27 points per game his sophomore year. Robbins played for the University of Tennessee where he was an All-Southeastern Conference selection bringing his college career numbers to 2,031 points and 1,630 rebounds.

Robbins’ professional career included a year in the Italian league followed by eight years 1967-1975 in the ABA with five teams.

Robbins is hospitalized in the Touro Infirmary in New Orleans. The phone number is 504-897-7011. Cards may be mailed to Touro Infirmary, 3525 Prytania, New Orleans, LA 70115. Email messages may be sent by visiting www.touro.com

Telecommunications seeking students

The Telecommunications industry is on the upswing in Florida as well as the Gulf Coast. In response to this trend, Chipola College is seeking students for the next Telecommunications Installation Technician course.

The next course is set to begin Monday, Sept. 4.

Instructor Charlie Burch reports that employment opportunities for those who complete the program are very promising. Salary range in our region is \$16.00 - \$24.00 per hour. Storm-related installation and repair work in the Gulf Coast area in Alabama, Louisiana and Texas is paying in the \$35 per hour range with \$65 per day for living expenses. A clean driving record is required in order to become gainfully employed in the Telecommunications industry.

The 300-hour course is designed to train students to become proficient as linepersons, telephony installers, as well as in splicing and activation and to become proficient on fiber, broad band and co-axial cable.

The course will meet weekdays from 8 a.m. to 4:30 p.m. for approximately seven weeks. Tuition for the program is \$1,200.

Applications for admission are available online at www.chipola.edu or in the Workforce Development Office. For information, call instructor Charlie Burch at 850-718-2214 or Workforce at 850-718-2270.

CHIPOLA NAMES EMPLOYEE OF THE MONTH—Carl DesRosier of Altha has been named Career Employee of the Month at Chipola College. Here, Senior Vice President, Dr. Sarah Clemmons presents the award to DesRosier, who has worked at the college since 1997.
