

Tickets on sale for Chipola Endless Summer Dinner/Dance

The Chipola Appreciation Club will host the "Endless Summer" dinner and dance, Saturday, Aug. 23.

The event will reunite old Chipola friends and alumni for a relaxing evening to benefit the college's athletic programs.

The Beach Boys' "Endless Summer" album was released in 1974. Chipola College began in 1947. Event organizer Robert Trammell, says, "The Endless Summer album brings to mind a simpler time, and while music has evolved during Chipola's 60 years, the bonds and friendships built at this little college have remained strong."

The Ivey Brothers band will provide the perfect musical back-

drop for the occasion. A regional favorite since 1965, their versatile repertoire became well known in the club scene in the 70's and 80's, and a local hit "It's Not Worth the Pain" in 1978 made the group's fame complete. The Iveys have played with and backed "The Pointer Sisters," "The Coasters," "Jeannie Pruitt," "Billy Crash Craddock," and "The Platters."

The Iveys will be joined by The Villagers, another popular Chipola band from the 1960's. The Villagers will reunite for a special set four decades after their last performance at the National Guard Armory. Villagers Cliff Ellis of Chipley, Billy Bryan of Bascom, Allen Myers of Malone,

George Boyer of Port St. Joe, will perform their hit "Laugh It Off."
