

Chipola infielder named NJCAA All-American

Chipola College infielder Matt Gamel has been named a First-Team All-American by the National Junior College Athletics Association.

Gamel led the Indians to a second place finish in the Florida Community College State Baseball tournament in May. He finished the year with a .446 batting average, including 14

homeruns, 14 doubles, three triples and 63 RBI's.

The 6-0, 205 pound Gamel also is the FCCAA Player of the Year and was named First Team FCCAA All State/Region VIII. He transferred to Chipola from Daytona Beach Community College in

the Fall of 2004.

The Indians captured the 2005 Panhandle Conference Championship with an 18-7 league record and a 39-19 overall finish. Gamel won Panhandle Conference Player of the Year honors and was named to the All-Conference team.

Chipola head coach Jeff Johnson, who has sent 66 players on to either professional baseball or to four-year college programs, said, "Matt is the best hitter I've ever coached. He can hit line drives and gap to gap with power. He had an outstanding year."

Gamel has signed with the University of Louisiana at Monroe, but is projected to go early in the Major League Baseball draft next week.

For the latest scores, call 718-2CJC, or visit www.chipola.edu

Prepare for Summer II registration

Registration for Summer Session II at Chipola College is Thursday, June 23. Classes begin Monday, June 27.

Recent high school graduates and other students who enroll in Summer II classes earn the right to register early for Fall 2005 classes.

Chipola's open-door policy guarantees acceptance to any student with a standard high school diploma. Prospective students should complete a college application which is available in the Office of Admissions and Records located in Room 112 in Building L, or online at www.chipola.edu. Students also must provide an official high school or college transcript.

Chipola offers day and evening college credit courses, as well as independent study and online courses leading to the Associate in Arts and Associate in Science Degrees. Chipola also offers awards bachelor's degrees in Secondary Education with majors in math and science. The college's Workforce Development division offers several certificate programs which provide training for high-wage occupations.

The University Center @ Chipola provides opportunities for students to pursue a number of bachelor's and advanced degree programs on the Chipola campus through partnerships with area universities.

For information, call the Admissions and Records Office at 718-2211.
