Chipola baseball season ends at national tourney

The Chipola Indians' dreams of a second national baseball title ended May 27 with a 10-7 loss to Hagerstown (MD) College in an elimination game in the NJCAA College World Series.

Adam Duvall was two for two in the game with five RBI's. Chipola scored two in the first, but Hagerstown answered with three. The game was close until the fourth inning when Hagerstown scored seven runs in the seventh on three homeruns. They finished the day with 10 runs on 10 hits and one error. Chipola had seven runs on seven hits with one error.

Pitcher Carlos Moncrief started the game for Chipola but lasted only 1.1 innings. He was relieved by Jason Bailey, who

was charged with the loss after two innings. Jason Townsend also pitched four innings.

Chipola suffered their post-season loss in two years on Memorial Day when they were upset 11-8 by Alvin (TX) Community College.

Chipola actually outscored their national tourney opponents 37-23 in three games.

Adam Duvall and Moises Montero each had two homeruns in the tourney. Einar Atencio and Carlos Moncrief were both 4 for 11.

The Indians opened the national tourney with an amazing 22-2 win over Connors State on May 24. Tyler Bumgarner, Brett Maxwell, Montero and Chaffee all homered in the game.

Chipola coach Jeff Johnson had good things to say about his returning sophomores. "Our kids got us back here. To get here two years in a row is a big accomplishment. I don't know if we'll ever have another Chaffee, Parker, Atencio and Montero.

Johnson also thanked the fans. "I appreciate everybody who supported us throughout the season. We battled in the tournament; we just didn't play very

Chipola College Theatre students and director Charles Sirmon recently toured New York City and Broadway.

The students participated in a master's acting class at Shelter Studios—in the heart of New York's theater district—with

Broadway performer and playwright, Michael Watson. The students also did a stage reading from a new piece of his work.

Director Sirmon said, "Chipola students try and make the trip every other year. What these young people learn in a few days will stay with them forever."

Sirmon is currently reading, researching and planning his tenth season with Chipola.
