Summer Session II registration is June 25

Registration for Summer Session II at Chipola College is Thursday, June 25. Classes begin Monday, June 29, with late registration continuing through noon on June 30.

New students who take at least one class during the summer term may register early for Fall 2009 classes.

Applications for Admission and the summer schedule of classes are available in the Admissions Office or on-line at www.chipola.edu

College officials recently completed the 2009-2010 Schedule which has additional terms to help students in scheduling. During the Fall 2009 semester, students may choose from three different terms. Terms A and B both begin Aug. 24. Term A runs Aug. 24 through Dec. 16. Term B classes are Aug. 24 through Oct. 15. Term C runs Oct. 16 through Dec 16.

Dr. Sarah Clemmons, Senior Vice President of Instruction and Student Services, says, "This new schedule has the potential to help many of our students. There are students who miss the deadline at the beginning of the semester, or who decide to go to college at the last minute. This gives them a chance to enroll at mid-semester."

Students who miss the regular Fall 2009 registration in late August will have a couple of months to plan for the Fall B term registration on Oct. 15.

Clemmons says that condensing coursework into a shorter term also is a better fit for some people. "There are students who prefer to work intensively on one course for a few weeks, and then move on to the next course. We're always trying to improve our schedule of courses to help meet people's needs in terms of life and family situations."

In addition to the new terms this Fall, the college will continue to offer most courses four days a week with Fridays off. A good selection of Friday-only classes are also scheduled. The college also has added at least a dozen new online courses in an effort to provide access to more students.

Chipola offers the Associate in Arts Degree, the Associate in Science Degree, the Associate in Applied Science, Workforce Development programs and Bachelor of Science Degrees in Secondary and Middle School Education with majors in Math and Science, Elementary Education, Exceptional Student Education, Nursing and Business.

For information about enrolling at Chipola, call the Admission and Records office at 850-718-2311.

Chipola event to honor the late "Big Sam" Mitchell

Legendary leader "Big Sam" Mitchell will be remembered at a dinner and dance celebrating his life on Aug. 29 at the National Guard Armory in Marianna.

The dinner will honor the former Florida legislator's legacy and raise funds for an endowed scholarship in his name at Chipola College, where he played on the college's first football and basketball teams in 1947.

"Big Sam," as he was known for more than 40 years of state

service, was a coach, principal and father figure to thousands of children in Vernon and Washington County.

The Aug. 29 dinner is hosted by "Friends of Sam Mitchell" and sponsored by the Chipola Appreciation Club. The event will begin with a social time at 6:30 p.m., followed by dinner at 7 p.m. Entertainment will begin at 8 p.m., featuring the world-famous Embers.

For more information, call 850-718-2375.

June 30 deadline for Chipola trip to Guatemala

Chipola College Spanish professor Dr. Mark Ebel is planning a Spanish Language Study program to Antigua, Guatemala during Spring Break, 2010.

The price of \$1,715 includes meals, lodging, language classes, round trip airfare, ground transportation, tours and materials. This special rate is good through June 30 with a deposit of \$150.

The eight-day study program provides three hours of college credit (Spanish Travel Study) during Spring Semester 2010. The trip is open to any current or prospective Chipola student, regardless of prior language instruction.

Antigua, Guatemala is known for its language schools, colonial architecture, and Mayan cultural influences. Each student will have a native speaking Spanish instructor and live in groups with host families.
