Local artist’s work on display at CJC

Local artist John Dunaway will present an exhibition of his works in a one-man show in the Chipola Arts Center from June 17-July 1.

Dunaway has been drawing and painting since he was a young boy. He attended Chipola majoring in art under art instructor Mr. Richard Vail. According to Dunaway, “I am inspired by the works of Van Gogh, Monet, and Picasso, and these inspirations show up in my work. Additionally, I like the history, myths, and legends of the aboriginal tribes of North, Central and South America, and incorporate those themes in many of my works. I also enjoy abstract geometric forms, and mix thick textured brush strokes with cubist or abstract themes.”

Dunaway paints on canvas, and also paints on cow and deer skulls, alligator and snapping turtle shells, and designs artistic and exotic wooden walking staffs. He says, “I hope the public will enjoy my work.”

Born in Sarasota in 1958, he has lived in Jackson County for the past 30 years. Of his many siblings one is the acclaimed Oscar winning actress Faye Dunaway. He has one daughter recently married Jennifer Dunaway Griffin. He was involved in a very serious car accident in 1980 which resulted in paralysis and life as a paraplegic. His art is his center and focus.

An opening reception for the exhibit will be held from 7 to 9 p.m. June 17 in the Arts Center. The public is cordially invited to attend and meet the artist.

The exhibit may be viewed Monday through Thursday from June 17-July 1 from 8 to 4 p.m. Group visits are encouraged and may be scheduled by phoning 718-2277.

Apply now for Summer II classes

New students planning to enroll in Summer Session II classes are encouraged to make application before the June 10 deadline.

Registration for the six-weeks summer term is June 19 from 8 a.m. to 3 p.m.

Classes begin Monday, June 23.

Late registration continues June 24, from 8 a.m. to noon.

Graduating seniors who enroll in Summer II classes will be allowed to register early for Fall classes.

Chipola’s open-door policy guarantees acceptance to any student with a high school diploma. Prospective students should complete an application—available in the Registration Office—and provide an official high school or college transcript.

Chipola offers hundreds of day and evening college credit courses leading to the Associate in Arts Degree. The AA guarantees acceptance to the junior year at Florida’s ten public universities. Independent study and online classes also are available.

Chipola’s Workforce Development Division offers Associate in Science and Certificate programs which feature open enrollment and self-paced learning. Most Workforce programs offer excellent job placement potential.

The University Center @ Chipola provides opportunities for students to pursue a number of bachelor’s and advanced degree programs on the CJC campus.

For information, call the CJC Registration Office at 718-2211.
Students honored at Awards Ceremony

Chipola Junior College recognized the outstanding achievements of its students at the recent annual Awards Ceremony. Awards were presented for academics, athletics and extracurricular activities.

The following students received academic awards: Chelsea Laney, Economics; Tracy Dianne Brock, Accounting; Terri Fowler, Freshman Networking Services; Kelly Messer and Eileen Aristizabal, Sophomore Networking Services; Alra Ross Brooks and Alexander Norman, Computer Science; Kathy Lynn Lafontaine, Robin Kay O’Bryan and Tameekas Spates, Office Specialist; Chelsea Laney, General Biology; Justin Carrell, Biology for Science Majors; Amanda Holland, General, Organic and Biochemistry; Kristi Johnson, Microbiology; Heather Grover, Freshman Chemistry; Justin Carrell, Sophomore Chemistry; Tracy Brock, Physical Science; Michael Scott, Earth Science; Kimberly Rogers, Calculus I; Pierre Wesselhoeft, Calculus II; Selina Fish, Calculus III; Benjamin Blitch, C.H. Barton Award; Clayton Dilmore, Freshman English; April Day Williams, Sophomore English; Nicholas Barth, Nursing (Leadership); Kelly Baxter, Nursing (Clinical) and Pamela Williams, Nursing (Academic).
