## Core Ensemble to present “Tres Vidas” at Chipola

The **Core Ensemble** will present “Tres Vidas” at Chipola College, April 3, at 7:30 p.m.

The concert is the final event of the 2005-06 Artist Series.

Consisting of cello, piano, and percussion, Core Ensemble will perform the new music theatre piece, *Tres Vidas* (Three Lives). The work celebrates the lives of three powerful Latin American women: Mexican painter Frida Kahlo, Salvadoran peasant-activist Rufina Amaya, and Argentine poet Alfonsina Storni. *Tres Vidas* features a script by award-winning Chilean writer Marjorie Agosin. Actress Georgina Corbo will portray all three protagonists with the

Core Ensemble onstage. The trio also will perform popular and folkloric music from a variety of Latin cultures.

The Chipola Artist Series is funded through Chipola’s Performing Arts Fund, with grants from the National Endowment for the Arts, the Southern Arts Federation, the Florida Division of Cultural Affairs, the Chipola Regional Arts Association and corporate donors.

Tickets—\$12 for adults and \$8 for ages 18 and under—go on sale March 27 in the college Business Office located in Building A.

## Spanish film/lecture series set at Chipola

Chipola College professor Dr. Mark Ebel announces a Spanish Film Series beginning March 28 at the college.

The events are free and open to the public and will be held in Jackson Lecture Hall of the Chipola Literature/Language Building. The first event is a film/lecture entitled, “What We Would Learn if Dogs Were Our Teachers in Alejandro Inarritu’s *Amores Perros*,” on Tuesday, March 28, from 5:30 to 8:30 p.m. The film was produced in Mexico in 2002 and nominated for an academy award for Best Foreign Film. It will be shown in the original Spanish with English subtitles. The unrated film is not recommended for children as it contains potentially offensive language, sexuality and violence.

The second event—set for April 11, from 4:30 to 5:30 p.m.—is a lecture and slide presentation, “Translation and Triage: Lessons

Learned from a Medical Mission to Honduras.” The presentation chronicles Dr. Ebel’s recent mission to the South American country. Ebel presented a paper on the mission and served as a panelist on Health and Society in Latin America at the recent annual professional meeting of SCOLAS (Southwest Council on Latin American Studies).

The final event in the series is a lecture: “Traveling to Cuba: Is It Possible?” and a film, “*Carros de Cuba*,” Tuesday, April 18, from 4:30 to 6 p.m. The lecture will provide practical information for traveling to Cuba and a documentary film with a light-hearted theme: the presence and maintenance of classic American cars in Cuba. The film is mostly in Spanish with English subtitles.

For information, call Dr. Ebel, at 850-718-2282.
