Coleman scholarship established

Friends and family of the late Patricia Ann Coleman of Chipley have established a Chipola College scholarship endowment in her memory.

According to friends and family, Patricia was a bright and shining scholar destined to succeed. She was an outstanding citizen and an exceptional scholar of the community. Her life was tragically cut short in a car accident on Dec. 21, 2007.

Coleman was born and raised in Washington County where she was awarded the United States Presidential Education Awards Program in 1997 and 2000. She was active in the Florida District 2 Future Business Leaders of America in which she won a first place award for business communication in 2002.

For her academic work and outstanding character, she was inducted into The National Junior Honor Society of Secondary Schools at Roulhac Middle School in 2000, and was inducted into The National Honor Society of Secondary Schools at Chipley High School in 2003.

Coleman was a devoted member of Yes Lord Church of God In Christ and was recognized for her fervent stewardship on the usher board.

She was crowned Miss Black Washington County in 2004, and was recognized for the best dress and the prettiest smile.

She graduated from Chipola College in 2005 with an Asso-

ciate in Arts degree, and was recognized on The Dean's List throughout 2004 and 2005. She was scheduled to graduate from the University of South Florida in the spring of 2008 with a Bachelor's Degree in Speech Pathology and was to begin graduate studies.

The scholarship will be awarded in August of 2008 to an African-American female from Washington County with a 3.0 GPA or higher. The successful applicant must be a full-time student with financial need who plans to earn a four year degree. A two page essay on the subject, "What Higher Education Means to Me," must accompany the application.

Donations to the Patricia Ann Coleman Scholarship Endowment may be mailed to the Chipola College Foundation at 3094 Indian Circle, Marianna, FL 32446.

For information about endowment, call Julie Fuqua at the Chipola College Foundation at 850-718-2478.

Chipola President Dr. Gene Prough congratulates men's basketball player Clevin Hannah at graduation.

Nine Indians join Class of 2008

There was no more appropriate place to celebrate the individual academic accomplishments of the Chipola Men's Basketball Team than the Milton H. Johnson Health Center. It was there on Thursday night that nine members of the 2008 squad joined 360 fellow classmates as candidates for graduation.

Sophomores Malik Allen, Joey Cameron, Mario Edwards, Clevin Hannah, Eddie King, Mario Little, Vernon Teel, Skyler Williams, and Decoya White found success both on and off the court during their time at Chipola.

"Chipola has laid the educational foundation for these guys and I am extremely proud of each of them," remarked Chipola head coach Greg Heiar. "Each one represents the ideal meaning of the word student-athlete."

In the previous four years for the men's team, 24 of 26 student-athletes have graduated from Chipola. "Our track record of graduating athletes is a testament to the support from the administration, teachers, academic coaches, and the Academic Center for Excellence on campus," said Heiar.

At an earlier event, Mario Edwards and Clevin Hannah were both named to the 2008 edition of *Who's Who Among Students in American Junior College* for outstanding campus leadership.
