

Indians to play Indian River in first round of state tourney

The Chipola Junior College baseball team is scheduled to play Indian River CC at 1 p.m., Friday, May 9, in the first round of the State Junior College Baseball Tournament in Kissimmee.

The Indians won the 2003 Panhandle Conference Championship to finish with an 18-7 league mark and 32-12-1 overall. Second place Okaloosa-Walton also will represent the Panhandle in the tournament set for May 9-13.

The Chipola squad is ranked fifth in the state JUCO poll and is making a fifth trip to the tournament in seven years under head coach Jeff Johnson. CJC finished second in the state tournament in both 2002 and 2001. Johnson is optimistic about his team's chances this time around. "If we play like we're capable of playing, we can do very well in the tournament," said Johnson.

The Indians are struggling to cope with the loss of one of their leading pitchers Brian Clausen, who was killed in an automobile accident on April 26. The team was traveling to Clausen's funeral in Columbus, GA, on Thursday, May 1. Johnson said, "This has been a very emotional time for our team. We're just trying to get through this very tough week."

According to Johnson, having enough pitchers to compete

in a four or five-day tournament is a major concern. "Losing Brian is going to leave a big void in our pitching rotation. Some of our younger guys are going to have to step it up a notch," said Johnson. The Indian bullpen is led by first round draft pick Adam Loewen (6-0). Loewen has thrown 70 strikeouts in 53 innings for a 1.52 ERA. Friedel Pinkston (3-2) has 57 strikeouts in 41 innings. Kellen Ludwig (4-0) pitched 38 strikeouts in 32 innings. Adam Dunavant (6-3) threw 49 strikeouts in 58 innings.

Matt Grooms leads the Indians offense with a .455 batting average and a .717 slugging percentage. Rocky Scelfo is second with a .390 average and he leads the teams in runs scored with 58. Grooms and Cole Armstrong (.333) are the Indians' homerun leaders with 8 apiece. Pitcher Adam Loewen is hitting .361. Jay Mattox is at .351. A total of six CJC players are batting above .300 for a team average of .330.

All CJC games will be broadcast by Deep South Sports on WJAQ FM—100.9.

Chipola pitcher killed in car accident

Brian Clausen of Columbus, GA, a pitcher on the Chipola Junior College baseball team, was killed in a single car accident on Saturday, April 26.

Clausen had gone home to Columbus to visit his family doctor earlier in the week. He was returning to Chipola on Saturday morning to play in a 1 p.m. game. Saturday's game and a Sunday game with Delgado all were cancelled out of respect for Clausen's family.

As one of the Chipola's top pitchers, Clausen helped lead the Indians to the 2003 Panhandle Conference Championship and a berth in the state tournament. The 5'10"

right-hander played at Jordan High in Columbus, GA, where he was named to the All Bi-City First Team and to Team Georgia.

CJC head coach Jeff Johnson said, "He's really going to be missed by his teammates and the entire college. He had a lot of class both on and off the field. He was a very happy-go-lucky person and the kids loved him. This is just a real tragedy for his family and for Chipola."

The Indians are scheduled to play Indian River CC in the first round of the State Tournament in Kissimmee, at 1 p.m. on Friday, May 9.

Chipola professor selected for CLEP Test study

The Educational Testing Service, based in Princeton, New Jersey, has selected Chipola Junior College English instructor Dr. Laurie Culbreth to participate in a study for the College-Level Examination Program (CLEP).

The panel consists of only 15 faculty members from colleges and universities across the country. This distinguished group will conduct all research and meetings online. The result of this national study will be a recommended credit-granting score for the CLEP Freshman College Composition Examination. This recommendation will then be forwarded to the American Council of Education for its endorsement.

In addition to this study, the Educational Testing Service has asked Dr. Culbreth to serve as a faculty consultant for the Advanced Placement Program for the College Board. Consultants meet once a year in various locations throughout the country to read and grade APA exams.

Dr. Culbreth has been a member of the Chipola faculty for 14 years, has been named twice to Who's Who Among America's Teachers, has recently developed the college's first web-based curricula in ENC 1101, ENC 1102, and ENC 2103, and is a part-time faculty member with the University of Phoenix where she teaches composition and American literature online.
