Chipola to offer BS degree programs in January

Chipola College, formerly Chipola Junior College, will offer the first classes in two new Bachelor's degree programs in January, 2004.

The 55-year old institution changed its name in August of this year in preparation to offer B.S. degrees in Secondary Education with majors in Mathematics or Science.

Graduates of the new program will meet certification requirements to teach either math or science in grades 6-12. Applicants must have an A.A. degree from a community college or at least 60 hours of college credit from an accredited college or university. Applicants also must pass all sections of CLAST and have a cumulative grade point average of 2.5 on a 4.0 scale in all college coursework. Three education prerequisite courses also are required in the program--EDF 1005, EDG 2701 and EME 2040.

Dr. Kitty Myers, who directs the new B.S. programs says, "Chipola's Secondary Education program is an exceptional value for students. In-state tuition for junior and senior level courses is

\$75 per semester hour. Alabama and Georgia residents also qualify for in-state tuition with a \$1 per hour out of state fee."

"The big news is that we're offering free tuition to the first 20 qualified students admitted into the program," said Myers. Students must apply for Federal, State, and Chipola Foundation financial aid.

"In addition to small classes, we have a full-time, experienced faculty who will provide individual attention to our students. Internships will be available with outstanding teachers in the district," said Myers.

Persons interested in a teaching career in middle or high school with a strong background in math or science, should contact the college as soon as possible to prepare for the Spring semester.

For information contact Dr. Kitty Myers, AVP of Instruction and Baccalaureate Programs at 850-718-2276, or Dr. Lou Cleveland, Director of Mathematics and Natural Science at 850-718-2416.

Chipola shines at FACC convention

Chipola College was one of the most talked-about colleges at the 2003 Florida Association of Community Colleges Annual Convention in Orlando.

Chipola garnered numerous honors, including the Region I Chapter of the Year Award. Chipola membership chair, Joyce Traynom, accepted two membership awards for the chapter: 50% or Better Membership and Greatest Percentage of Employees as Members (over 180 members). The chapter was also honored with the Outstanding Scholarship Program Award from the Financial Aid Commission.

Evelyn Ward, Chipola Publications Coordinator, was honored as an Unsung Hero for her outstanding work in the chapter.

Sandra Harrell, Chipola Athletics Department, will serve in the state-wide position of Vice President of Regions and Chapters for 2004-2005. Chipola English instructor Laurie Culbreth will serve as

Indians mark first victory

The Chipola Indians jumped out to a 1-0 record with a big 107-89 season opening win over IMG Academy on Nov. 3. The game marked the first win for new Chipola head coach Chris Jans. "It's nice to get the first win under our belt. I liked our energy at the beginning of the game and I was pleased with the way we increased our lead. One of the hardest things to do is hold a big lead. It's just human nature to relax a little," said Jans.

The new coach said he was impressed with the play of Je'kel Foster who led the team in scoring. "Starting the season with 31 points and 7 threes gave us a big boost. He set the tone on offense and defense. Kendarius Pelton also provided a nice spark

off the bench," said Jans.

While Jans was happy with Chipola's point production, he was less satisfied with the team's defensive performance. "IMG wasn't real structured so they were tough to guard; but I don't remember ever giving up 89 points on defense. This is something we're going to have to work on."

The Indians hosted the Milton H. Johnson Classic over the Nov. 6-8 weekend. The team travels to Santa Fe for a Nov. 15 game before returning home to host the Chipola Men's Classic, Nov. 20-22.

Chipola Lady Indians win season opener

Chipola hosts the Lady Indians Classic, Nov. 13-15, in the Milton H. Johnson Health Center.

Chipola plays Oakland College at 7:30 p.m. on Thursday. The Lady Indians play a yet unnamed opponent Friday at 7:30 p.m., and Enterprise on Saturday at 7:30 p.m. Early games featuring Pensacola, Gulf Coast, Vincennes and Schoolcraft are scheduled at 3:30 and 5:30 p.m. all three days.

The Lady Indians opened the season with an impressive 88-47 win at Enterprise-Ozark College on Nov. 1.

Alicia McDonald led Chipola with 21 points. Kristina Andjelkovic added 16. Leading rebounders were McDonald with 20 grabs and Tamika Jackson with 10 rebounds.

Chipola held Enterprise scoreless through the first six minutes of the game. The Lady Indians shot 61 percent from the floor and outrebounded EO, 50-20.

"It was a good opening effort," said Chipola coach David Lane who celebrated his first career win as a head coach. "The girls played well, but there's definitely room for improvement. The next 12 days will be crucial as we hope to build on our opening victory," said Lane.

The Lady Indians' next home game is Nov. 13 with Oakland Community College in the Lady Indians Classic.

For information, call the Chipola Hotline at 718-2CJC.

Calhoun County art on display

"Life in Calhoun County," a folk life exhibit, will be on display through Nov. 11 in the Chipola College Arts Center. The show will be open Monday and Tuesday, from 8 a.m. to 3:30 p.m.

The photographs in the exhibit celebrate the tenacity of a place and its residents, highlighting the traditions that make the county at once unique and a part of the Panhandle.

Calhoun County is 574 square miles large. The county's roads attest to the area's rural personality, framed in pavement, dirt and lime rock. Etched in the terrain, each road leads to significant heritage, from

County Road 274 to Look and Tremble, to Highway 69 South leading to Shiloh Cemetery.

Calhoun County was established in 1838. The area has retained its agrarian presence with long leaf pine, cotton and family vegetable plots, and spectacularly placed flower gardens.

This project is funded in part by the Florida Humanities Council an affiliate of the National Endowment for the Humanities, the Panhandle Pioneer Settlement, and Heritage Education Resources.

For information on the exhibit, call Joan Stadsklev at 718-2301.

FACC, continued from page 1

Chair of the Curriculum Commission.

Also attending the convention from Chipola, were: Rachel Cooley, Alice Pendergrass, Lou Kind, Larry Kuszynski, Tammy Wilson-Neal, Mary Lou Andreu, Lindsay Roach, Chipola trustees Brenda Taylor, Mark Plummer, and Gina Stuart, and Chipola retiree Bill Stabler.

FACC is a statewide organization open to all employees, retirees and trustees of Florida's 28 public community colleges. FACC provides professional development opportunities for its members, and represents the interests of community colleges before the Florida Legislature.

Christmas Feaste set

The Fine and Performing Arts Department will present "Candlelight and Carols: A Christmas Feaste," in a holiday setting on Dec. 4 and 5 at 6:30 p.m. in the Arts Center.

The dinner will include traditional holiday fare from wassail to carved top round of beef, breast of chicken and assorted cakes and pies.

Musicians will signal the opening of the Great Hall for each performance. The Chipola Singers will present a program of holiday favorites for the entire family.

Reserved tickets—\$25 for adults, \$20 for children 12 and under—are available in the Chipola Fine Arts Office. Tables of eight may be reserved. Groups wishing to sit together must purchase tickets at the same time. No phone or credit card reservations are available. An early sell-out is expected.

For information, call 850-718-2277.

Student social workers developing resource list

Student social workers from the University of West Florida @ Chipola College are developing a directory of social workers in the area.

Social workers who would like to be included in the listing and receive a copy of the finalized document, should email Sherri Stone at ssstone@uwf.edu. Emails should include name, credentials, areas of specialization, current employment, availability for supervision for licensure, contact information, membership in professional organizations, and other relevant information.

For information call 526-2761, Ext. 3356.
