Chipola Classic is November 18-20

The Chipola Indians host the three-day Chipola Basketball Classic, Nov. 18-20, in the Milton H. Johnson Health Center.

Chipola plays CMI (Mississippi), Thursday, Nov. 18 at 7:30 p.m.; St. John’s River CC, Friday, Nov. 19 at 7:30 p.m. and Enterprise State JC, Saturday, Nov. 20 at 7:30 p.m.

Chipola Head coach Greg Heiar said, “We’re looking forward to the Chipola Classic. It will be a big challenge for us to see how we respond to playing six straight halves of basketball in three days. We found out last week that two straight days halves of basketball in three days. We found out last week that two straight days was tough for us.”

Chipola suffered a 67-43 loss to South Georgia Tech on Nov. 6. Anderson Ferreira led Chipola with 12 points and 6 rebounds. Gerrard Jackson scored 13. Mario Boggan added 10 points and 5 rebounds. Coach Heiar said, “Our loss made us work harder this week in practice. We’ve been sharper and come together as a team. It took a loss to make us realize that we’re going to get everyone’s best shot. We’re going to try to push the ball a little more and play more up tempo so we can get some easy baskets. As a whole, we’re making strides.”

The Indians are scheduled to play Bevill State, Nov. 12 at 3 p.m. at the Gulf Coast Tournament. Chipola’s Nov. 13th game at Gulf Coast was cancelled.

Chipola opened the season with a 100-69 win over PyExpress on Nov. 2. Six Indians scored in double figures. Victor Gomez led with 17 points and seven rebounds. Mario Boggan added 15 points. Gerrard Jackson had 14 points and six rebounds. Ryne Hamblet scored 12. Stefhan Hannah and Anderson Ferreira each scored 11. Ferreira led the team in rebounding with 12 grabs.

The Indians are the defending State Champions and Panhandle Conference Champions coming off an outstanding 32-5 season that ended with a sixth place finish at the national tournament.

The Lady Indians are 2-0 on the year following a pair of wins in the Milton H. Johnson Classic. Chipola scored a big 86-52 win over PyExpress on Nov. 6. Elaine McCants led Chipola with 24 points. Nacole Stocks scored 11. Erica Smith added 10. The Lady Indians opened the classic with a 47-39 win over Kirkwood CC. The Lady Indians are scheduled to play a pair of games at Kirkwood CC (Iowa), Nov. 12 and 13.

The Lady Indians begin their second season under the direction of head coach David Lane who led his team to the quarterfinals of the state tournament last year to finish with a 22-9 record. For information, call the Chipola Hotline at 718-2CJC, or visit the website at www.chipola.edu

Alzheimer’s Seminar

The Chipola College Honors program will host a seminar on Alzheimer’s Disease, Friday, Nov. 19, at 10 a.m. in the Health Science building, Room Q-111.

The meeting will provide an overview of the disease explaining the symptoms, the course of the disease, and the average life span of patients. Also included will be a discussion of early onset of the disease, the services and programs provided by the Alzheimer’s Resource Center (ARC). Kay Jones, Executive Director of the ARC, will present the program which will include a question and answer session.

An estimated 4.5 million Americans are living with Alzheimer’s; a number that has more than doubled since 1980. By 2050 experts estimate this number may range from 11.3 million to 16 million.

Alzheimer’s is a type of dementia, which includes the permanent, relentless, progressive loss of many intellectual functions. While Alzheimer’s is predominant among the elderly, diagnoses for patients in their 30’s – 40’s is becoming more common.

There is no cure for Alzheimer’s; however, researchers may discover adequate preventive measures within the decade.

For information about the seminar, call Kimberly Garske at 850-547-5019.

Chipola chorus instructor Dr. Ed Lyon said, “Harvard Professor Dr. Robert Levin has created a new transcription that is the most authentic of any of the “Requiem” editions.”

Rehearsals will begin on a regular basis in January. Dress rehearsals will be April 3 and 4. The performance is set for Tuesday, April 5, at 7:30 p.m.

Regular weekly rehearsals of the chorus are on Mondays, Tuesdays, and Thursdays at 10 a.m. Singers invited to attend as many as possible.

Foundation, continued from page 1

lished by families and organizations throughout Chipola’s five-county district. The Foundation manages 122 endowed funds, and over 50 active funds-in/outscholarships. The Foundation’s investment and spending policy requires that 5% of the Foundation’s assets be held locally in Chipola’s five-county district.

The Foundation also provides tax-sheltered giving opportunities for donors. Fuqua says that in addition to general donations, memorial gifts have become a popular gesture for remembering someone. Donors also may designate the purpose of a memorial contribution, such as a library book, scholarship, or for fine arts, or other programs. All donors receive a confirmation card for tax purposes.

One large source of scholarships within the Foundation is The McLendon Educational Trust. Annually, the Foundation applies for funding from the trust established by the late Violet McLendon of Marianna. Scholarships from this fund are awarded on the basis of merit and financial need. A committee reviews all applications for McLendon funds, which in 2003 provided scholarship awards totaling approximately $235,000. The Foundation also receives approximately $10,000 in McLendon Music Scholarship funds.

For information about the Chipola Foundation, call director Julie Fuqua at 850-718-2478.
