## Chipola seeking applicants and donors for First Generation Scholarship

The Chipola College Foundation is seeking applicants and donors for The First Generation in College Scholarship for the 2008 Spring Semester.

Application deadline is Dec. 11 for the scholarship which is available to Florida residents from a family in which neither parent has completed a bachelor's degree. If the student resides with only one parent who provides support, that one parent must not have completed a bachelor's degree.

Students must have applied for Federal Pell Grant (FAFSA) in order to determine financial need. Application and items required with the application must be submitted to the Foundation Office by Dec. 11. The scholarship is good only for the 2008 Spring Semester.

Students entering college for the first time must have a 2.0 high school GPA and high school diploma or GED. Students previously enrolled in college must have both a cumulative and semester GPA of at least 2.0. A high school or college transcript

Foundation director Julie Fuqua says, "Chipola serves many first generation college students and the potential impact this scholarship program can have on their lives, as well as their families, is tremendous."

Chipola is eligible for up to \$12,836 in state matching funds only if the college raises an equal amount of private funds for these scholarships.

Gifts must be received and deposited prior to Dec. 1 to qualify for the dollar for dollar match.

Donations may be mailed to the Chipola College Foundation, 3094 Indian Circle, Marianna, FL 32446.
